Klocked Announces Siri Shortcuts Feature

written by Raj Shah | December 30, 2021

Klocked Augmented Reality audio platform adds Siri Shortcuts to adaptive music, pre-race and in-race coaching, and P4 AI cues.

December 30, 2021 (Source) – ePlay Digital Inc. (CSE:EPY)(OTC PINK:EPYFF)(FSE:2NY2) (the "Company") today announced the Klocked Sports Science Platform that revolutionizes athletic performance with real-time feedback now has Siri Shortcuts. The Klocked Augmented Reality (AR) Audio Platform adds Siri Shortcuts to real-time audio and video cues, adaptive music to optimize cadence, pre-race and in-race coaching, and the P4 AI performance enhancing audio cues that improve training and race-day performance. Real-time evaluation is powered by Klocked P4 AI and Weav Music's performance enhancing adaptive music & AR coaching technology.

“Pause my run”
Resume Quick Race
Added to Siri
“Resume my...
Finish Quick Race
Added to Siri
“Finish my run”
Enable the shortcuts that you would like to use to easily start/stop your quick races.

Klocked AR Audio Platform features are now available for free in the Klocked App.

“Heh Siri, Klock my run,” says Trevor Doerksen, CEO of ePlay Digital and co-creator of Klocked fitness app. “That’s all you have to do to get started, but Klocked does more to help you achieve fitness goals than other running app. Klocked reports progress, current personal best potential, pace, cadence, adaptive music from Weav, placement and, of course, Coach Kelly is bringing us to the finish line with great tips and inspiration.”

Siri Shortcuts

With Siri Shortcuts users can configure and request Siri to start, pause, resume, and finish a Klocked activity hands-free. Users can leave their phone in their pocket and continue to stretch, run, and make their way, virtually, through the streets of Paris, London, Berlin, New York and other Klocked courses.

Klocked P4 AI

Klocked helps everybody to get outdoors and provides daily real-time motivation towards healthy living. The Klocked P4 AI system augments a user’s experience with real-time and interval audio cues making fitness fun, competitive, and gamified. Klocked not only equips users with motivation, but with real-time information and data that is not available anywhere else. Klocked P4 AI includes Place, Placement, Performance, and Personal Best Augmented Reality (AR).

Adaptive Music

Weav Music‘s patent-pending AR coaching features include:

- Pace audio cues to help stick to training goals
- Personal-best audio cues to help reach new goals

- Audio guides to course landmarks
- Audio coach with tips and inspiration to achieve new goals
- Cadence detection and adaptive music to enhance performance

Coach Kelly

Coach Kelly joins Klocked users on race and fun run days. Upcoming races and fun runs include Berlin, Paris, and New York. Join 30-minutes prior to start time and Coach Kelly walks participants through the upcoming event. Coach Kelly is with you at race start, during the race, and all the way through to the finish line. Check out the schedule.

More Sports Science

Additional Advanced Sports Science Features include:

- Placement visual and audio cues to advance race position by gender and age division
- Gamification to advance to the next level
- Leaderboards by age and gender divisions
- Special challenges and races
- Bonus points and special effects for passing and participating in challenges
- Earn real and augmented reality t-shirts, race bibs, and medals

Klocked Sports Science Platform now available in the free Klocked App.

CES

ePlay is attending CES 2022 Show in Las Vegas from January 5-8. To book appointments and Klocked demos contact klocked@Mobovivo.com or book online.

Warrant Extension and Debt Settlement

ePlay Digital also announces that the Company will amend the terms of 11,000,000 common share purchase warrants that were issued by way of private placement exercisable at $0.20 per warrant share (the “Warrants”) for a one year term, by extending the expiry date by an additional two years. The Warrants affected are 5,750,000 share purchase warrants issued on March 10, 2021 expiring on March 10, 2022, and 5,250,000 share purchase warrants issued on March 17, 2021 expiring on March 17, 2022. The new expiry date for all Warrants above listed will be March 17, 2024 with the exercise price remaining the same. The Company will be sending out new warrant certificates to affected warrant holders.

The Company also announces that it has issued an aggregate of 346,500 common shares at $0.10 per share in settlement of $34,650 in services incurred to three consultants to the Company. Of the $34,650 in total services, $26,250 of the services were provided by an officer and a director of the Company.
