

# Investor.News Prepares for the ArcStone-Kingswood Growth Summit 2024

written by Tracy Hughes | September 24, 2024

*Toronto, ON, September 24, 2024* – As we approach the **ArcStone-Kingswood Growth Summit 2024**, scheduled for this Thursday, September 26th, InvestorNews Inc. is pleased to be the official media sponsor for this gathering of influential leaders in finance, investment, and high-growth sectors. The event will be held at the Sheraton Centre Toronto Hotel and promises to showcase key market opportunities across various industries.

With less than 36 hours until the event, InvestorNews Inc. is gearing up to identify the most compelling companies and stories presented during the summit. As the publisher of the well-known media platform **Investor.News** ([InvestorNews.com](https://InvestorNews.com)), our plan is to select our favorite companies for follow-up stories, which we will share with our audience after the event, offering in-depth analysis and insights.

## Our Role at the ArcStone-Kingswood Growth Summit

**Investor.News** has a long history of covering the capital markets, and we are proud to support this summit, which is designed to connect innovative companies with investors eager to explore new opportunities. From conducting interviews with key speakers to engaging with the most promising companies, our coverage will focus on gathering substantial content for comprehensive post-event reports.

*Tracy Hughes, CEO of InvestorNews Inc., remarked: "ArcStone's*

*partnership with Kingswood US represents a significant step forward in delivering enhanced capital market solutions. We're excited to see the collaboration bring together industry experts to explore growth and investment opportunities, and we look forward to providing coverage that highlights the valuable insights and outcomes from this partnership."*

---

## **Event Overview: Thursday, September 26th, 2024**

### **8:00 – 9:00 AM: Registration and Refreshments**

The summit will begin with registration, providing an early opportunity for networking.

### **9:00 – 9:05 AM: Opening Remarks by Crystal Carson**

**Crystal Carson**, Founder of CNC Ventures Inc., will officially open the event. Known for her experience in media, capital markets, and corporate strategy, Crystal is well-positioned to guide the day.

### **9:05 – 9:20 AM: Welcome Message from Michael Astone and Kevin Ernst**

**Michael Astone**, CEO of **ArcStone Securities and Investments Corp.** ([arcstonesecurities.com](https://arcstonesecurities.com)), and **Kevin Ernst**, Managing Director of Kingswood U.S., will offer their opening remarks, setting the stage for a day focused on sector growth and innovation.

## **9:20 – 9:30 AM: Special Announcement**

Attendees will hear a special announcement regarding the launch of a new ArcStone division led by Bay Street veterans, which is expected to bring new opportunities to the market.

## **9:30 – 10:05 AM: Metals & Mining Opportunities**

**Moderator: Vishal Gupta, Advisor, Metals & Mining, ArcStone Securities and Investments Corp.**

This session, led by **Vishal Gupta**, will introduce investors to key companies in the metals and mining sector:

- [One Bullion Ltd.](#) focuses on gold exploration in Botswana, rapidly expanding its exploration activities in the Tati Greenstone Belt. Positioned to take advantage of one of Africa's most stable mining jurisdictions, One Bullion aims to become a significant player in the gold market.
- [Vicunau Metals Corp.](#) specializes in copper and silver projects across Latin America, particularly in Peru and Argentina. As the global demand for copper and silver rises, the company is well-placed to capitalize on these critical minerals for electrification and renewable energy technologies.

## **10:05 – 10:40 AM: AI & The Future of Tech**

**Moderator: Garry Siskos, President, Gillford Capital Inc. and Managing Partner, Siskos & Associates Inc.**

Led by **Garry Siskos**, this session will cover some of the most exciting developments in artificial intelligence and tech:

- [Apollo Capital](#) is a venture capital firm that focuses on

blockchain and AI-driven startups. They support companies pushing the envelope in machine learning, automation, and blockchain integration across industries.

- [Verses AI Inc.](#) specializes in AI-powered solutions for creating connected environments. Their technology enables physical and digital interactions, revolutionizing sectors such as supply chain management and smart city development.

## **10:40 – 12:00 PM: Traditional Energy & Energy Transition**

**Moderator: Jack Bensimon, Managing Partner, ArcStone Securities and Investments Corp.**

As the energy industry evolves, **Jack Bensimon** will lead this panel on traditional energy and the global transition to more sustainable practices:

- [PX Energy Solutions](#) focuses on optimizing energy consumption with proprietary technology, helping industrial sectors reduce their carbon footprints and transition to greener practices.
- [Nano Nuclear Energy Inc. \(NASDAQ: NNE\)](#) is leading the development of small modular reactors (SMRs), offering a scalable and clean energy solution for both on-grid and off-grid needs.
- [Green Data Centers](#) specializes in developing energy-efficient, carbon-neutral data centers, meeting the growing demand for data infrastructure while reducing environmental impact.
- [Greenflame Resources Inc.](#) focuses on environmentally responsible mining of critical minerals necessary for the global shift toward renewable energy.

- [Ostrom Climate Solutions Inc.](#) provides carbon offset services and climate strategy consulting, helping companies achieve sustainability goals in the transition to a low-carbon economy.

## **12:00 – 12:35 PM: Wellness Sector**

**Moderator: Ariel Imas, Senior Managing Director, Investment Banking, Kingswood U.S.**

**Ariel Imas** will lead the discussion on emerging companies in the wellness industry:

- [Nurexone Biologic Inc. \(TSXV: NRX | OTCQB: NRXBF\)](#) is developing biologic treatments for central nervous system injuries using innovative exosome-based therapies. Their work could significantly improve recovery outcomes for spinal cord injury patients.
- [HEMPALTA Corp. \(TSXV: HEMP\)](#) is creating sustainable hemp-based products for use in agriculture, manufacturing, and more. Their eco-friendly solutions are gaining traction as industries look for sustainable material alternatives.

## **12:35 – 1:35 PM: Lunch and Panel Discussion**

This panel, during the networking lunch, will feature speakers from the legal and regulatory side of capital markets, including [Purves Redmond Limited](#), [Gowling WLG](#), [Lucosky Brookman LLP](#), and [Independent Trading Group](#).

## **1:35 – 2:25 PM: Crypto & Blockchain**

**Moderator: Raj Ravindran, Managing Partner, ArcStone Securities and Investments Corp.**

**Raj Ravindran** will discuss the rapid evolution of blockchain and

cryptocurrency, featuring companies such as:

- [WonderFi Technologies Inc. \(TSX: WNDR | OTCQB: WONDF\)](#) makes decentralized finance (DeFi) more accessible with an integrated platform for trading, earning, and saving cryptocurrency.
- [DMG Blockchain Solutions Inc. \(TSXV: DMGI | OTCQB: DMGGF\)](#) provides carbon-neutral blockchain solutions, including mining and software, aimed at making blockchain more sustainable.
- [Polymath](#) helps companies create, issue, and manage digital securities on the blockchain, simplifying the process of launching blockchain-based securities.

## **2:25 – 3:15 PM: HealthTech**

**Moderator: Kevin Ernst, Managing Director, Investment Banking, Kingswood U.S.**

This session will explore advancements in the HealthTech sector, with **Kevin Ernst** guiding discussions around:

- [GoToDoctor](#), a telemedicine platform expanding healthcare access to underserved communities, enabling patients to connect with physicians virtually.
- [Quantum BioPharma Ltd. \(NASDAQ: QNTM | CSE: QNTM\)](#) focuses on genomics and personalized medicine, creating therapies that target chronic conditions like cancer and autoimmune disorders.

## **3:15 – 4:05 PM: FinTech & Tech**

**Moderator: Jun He (Bernard), Managing Director, Head of Asia, ArcStone Securities and Investments Corp.**

**Jun He (Bernard)** will lead a session on FinTech and technology innovations:

- [RIFO](#), a blockchain-based financial services provider, offers faster and more secure transactions for businesses and consumers.
- [VirgoCX](#), a Canadian cryptocurrency exchange, focuses on providing a secure platform for trading digital assets with user-friendly tools.
- [Epaper](#) transforms the logistics and packaging industry by offering dynamic, digital solutions, streamlining how products are tracked and delivered.

## **4:05 – 4:55 PM: Diversified Growth**

**Moderator: Crystal Carson, Founder, CNC Ventures Inc.**

Returning to moderate the final panel, **Crystal Carson** will introduce companies involved in diversified growth sectors:

- [MiMedia Holdings Inc. \(TSXV: MIM | OTCQB: MIMDF\)](#) is a cloud-based digital storage solution providing users with a secure way to manage their media files.
- [SolarBank Corporation \(NASDAQ: SUUN | Cboe CA: SUNN\)](#) focuses on solar energy projects that help businesses and communities reduce their carbon footprint by transitioning to renewable energy.
- **Denovia Labs**, a rapidly growing biotech firm, is working on cutting-edge treatments for rare diseases, including advanced gene therapies and biologics.

## **5:00 – 7:00 PM: Cocktail Networking**

## Reception

The summit will conclude with a cocktail reception, offering attendees an opportunity to discuss the day's events and foster new business connections.

---

## The Importance of this Summit

As the **ArcStone-Kingswood Growth Summit 2024** approaches, it is clear that this event is set to offer valuable insights into a variety of sectors. From metals and mining to blockchain and health tech, the day will feature crucial conversations that are set to shape the future of these industries.

InvestorNews Inc. is dedicated to delivering comprehensive coverage of the event, both during and after the summit, for our global audience. Stay tuned for updates from **Investor.News** ([InvestorNews.com](https://InvestorNews.com)).
