

CBLT is on an M&A Mission for Critical Minerals

written by InvestorNews | July 21, 2023

In this InvestorIntel interview, Tracy Weslosky talks with [CBLT Inc.](#)'s (TSXV: CBLT) CEO, President, and Director Peter Clausi to discuss the critical minerals sector, and Tracy secures an update on how CBLT's ongoing M&A strategy is progressing.

In this interview, Peters starts with [an update](#) on the Big Duck Lake property, an area, traditionally explored for gold, is currently being tested for the presence of zinc. He then offers an update on CBLT's recent acquisition of the formerly producing Falcon Gold Mine in Sudbury, Ontario. The Falcon Gold Mine is located adjacent to two sections of CBLT's Copper Prince property claims, meaning CBLT has reunited title to the Garson Fault.

Other highlights included the recent dividends paid to CBLT shareholders from Ciscom Corp. shares, Peter finishes the conversation offering an update on its Shatford Lake lithium project that it is exploring.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the “Company” being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company’s financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company’s profile on [Sedar.com](#) and to carry out independent investigations in order to determine their interest in investing in the Company.
