PDAC 2022 is underway, and InvestorIntel is one of the media sponsors at the world's largest mining and exploration convention. We are busy looking for new stories and meeting old friends at the first in-person PDAC since 2020.

Monday through Wednesday (June 13-15), InvestorIntel is conducting exclusive interviews with industry leaders, presidents and CEOs of some of the most interesting silver, gold, rare earths, uranium and other critical materials companies.

On Monday our first panel was **Rare Earths, Sustainability & Meeting the EV Market Demand** hosted by InvestorIntel CEO and Founder Tracy Weslosky with panelists Mark Chalmers, President and CEO of Energy Fuels Inc. (NYSE American: UUUU | TSX: EFR) and Constantine Karayannopoulos, President, CEO and Director of Neo Performance Materials Inc. (TSX: NEO).

Our next panel discussion was hosted by Chris Thompson of eResearch on **Silver, The Technology Metal & Market** with Byron W. King, InvestorIntel columnist, Bald Eagle Gold Corp.'s (TSXV: BIG) CEO Chris Paul, Silver Bullet Mines Corp.'s (TSXV: SBMI) VP Capital Markets and Director Peter Clausi, and Simon Ridgway, Founder, Director, President and CEO of Volcanic Gold Mines Inc. (TSXV: VG).

To finish off Monday's schedule, InvestorIntel columnist and renowned critical materials expert Byron W. King, led a panel discussion on **Building the EV Material Supply Chain** with Appia Rare Earths & Uranium Corp.'s (CSE: API | OTCQB: APAAF)

President Frederick Kozak, Search Minerals Inc.'s (TSXV: SMY | OTCQB: SHCMF) President, CEO, and Director Greg Andrews, Avalon Advanced Materials Inc.'s (TSX: AVL | OTCQB: AVLNF) President, CEO and Director, Don Bubar, and Vital Metals Limited's (ASX: VML | OTCQB: VTMXF) Managing Director, Geoff Atkins.
