Tracy Hughes, CEO of **InvestorNews Inc.** commented:

“We are thrilled to celebrate our return to PDAC and to offer attendees the chance to engage with industry experts and win an incredible prize package,” said Tracy Hughes, CEO of InvestorNews Inc. “This year, we’ve enhanced the giveaway to include a travel pass, adding even more value and excitement. We’re grateful for the generous contributions from the Canadian Securities Exchange, Power Metallic Mines, and our shareholder, and of course – WEALTH, in making this event possible.”

Peter Nicholson, President & Founder of WEALTH (WCPD Inc.) stated:

“Our firm is so pleased to offer these amazing prizes,” said Peter Nicholson, President & Founder of WEALTH. “While our core business focuses on Structured Flow-Through Shares, I have been a passionate visitor and investor in Exuma, The Bahamas, for nearly 15 years. Exuma is one of the most beautiful places on Earth – similar to the Maldives or Bora Bora – but only a short 3.5-hour flight from Toronto. We have shared this paradise with hundreds of clients over the years and look forward to welcoming the lucky winner to our resort soon.”

About WEALTH (WCPD Inc.)

WEALTH (WCPD Inc.) is a boutique financial services company with a specialized focus on financings for junior mining companies, tax reduction, and philanthropic tax planning. Since 2006, we have performed more flow-through share transactions with an immediate liquidity provider than any firm in Canada. As a leading exempt market dealer, offering financings for resource

and mineral exploration in Canada, our structure has resulted in more than 725 private placements with over 150 issuers, amounting to over \$1.4 billion in flow-through share financing.

In June 2024, we performed a \$100 million structured flow-through deal, the largest single financing of its kind in Canadian history. In addition to tax reduction services, our work has led to charitable donations north of \$350 million by clients across Canada.

About the Canadian Securities Exchange (CSE)

The Canadian Securities Exchange (CSE), established in 2003, is a progressive and accessible financial market in Canada designed to provide an efficient alternative for companies looking to access public capital markets. Known for its streamlined listing criteria and lower costs compared to traditional exchanges, the CSE caters specifically to small to mid-sized companies. It has fostered a dynamic environment where innovative enterprises, including those in sectors like technology, cannabis, and clean tech, can grow and connect with investors. The exchange is renowned for its support of entrepreneurial initiatives, offering modern trading systems that enhance liquidity and trading efficiency, making it a vital component of Canada's financial landscape.

About Power Metallic Mines Inc.

Power Metallic Mines Inc. (TSXV: [PNPN](#) | OTCBB: PNPNF) is a Canadian exploration company focusing on developing the High-Grade Nickel Copper PGM, Gold and Silver Nisk project into potentially Canada's next poly metallic mine.

On February 1, 2021, Power Metallic (then called Chilean Metals) completed the acquisition of its option to acquire up to 80% of the Nisk project from Critical Elements Lithium Corp.

The NISK property comprises a large land position (20 kilometres of strike length) with numerous high-grade intercepts. Power Metallic is focused on expanding the high-grade nickel-copper PGM, Gold and Silver mineralization with a series of drill programs designed to test the initial Nisk discovery zone, the Lion discovery zone and to explore the land package for adjacent potential poly metallic deposits.
