

Peter Clausi of CBLT on its lithium and gold discoveries and its investment in Ciscom

written by InvestorNews | March 24, 2022

In a recent InvestorIntel interview, Tracy Weslosky spoke with Peter Clausi, CEO and Director of [CBLT Inc.](#) (TSXV: CBLT), about CBLT's 'highly prospective' lithium property in Manitoba and about its Coco-Estelle Deposit located in the Hemlo Gold Camp which hosts a historical resource of 53,700 tonnes grading 10.7 g/t gold.

In this InvestorIntel interview, which may also be viewed on YouTube ([click here to subscribe to the InvestorIntel Channel](#)), Peter Clausi provided [an update](#) on the drill program to explore lithium at CBLT's Shatford Lake Property in Manitoba which is located close to the famous Tanco Mine. He went on to provide an update on CBLT's Big Duck Lake gold project which also has historical high-grade zinc and copper. In the interview, Peter also provided an update on CBLT's investee Ciscom Corp. which is due to close on its second acquisition and is in the process of becoming a reporting issuer.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the “Company” being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company’s financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company’s profile on Sedar.com and to carry out independent investigations in order to determine their interest in investing in the Company.
