

# The Best Time for Flow-Through is Now

written by InvestorNews | July 10, 2023

In an InvestorIntel interview with Tracy Weslosky, Thermocline Advisory Inc.'s General Partner Frank McGillicuddy discusses the best time to look at flow-through shares, and his answers may surprise you.

Frank McGillicuddy starts: "For flow-through shares, you have to have a minimum income of \$500,000 taxable." He explains that while there are various benefits, to take best advantage of flow-through shares you should choose the critical minerals sector, as well as investing in projects that are in your province of residence. Across Canada, Quebec has the most generous setup (for Quebec residents).

**Disclaimer:** This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain "forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty

and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company's business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company's financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on [Sedar.com](https://www.sedar.com) and to carry out independent investigations in order to determine their interest in investing in the Company.
