

Chad Clovis of Karbon-X Talks about the Launch of its Carbon Credits App

written by InvestorNews | March 21, 2023

In this InvestorIntel interview during PDAC 2023, Melissa Sanderson talks to [Karbon-X Corp.](#)'s (OTC: KARX) CEO and Director Chad Clovis about how Karbon-X is providing carbon credits to everyday citizens wishing to reduce their carbon footprint. Through Karbon-X's [web application](#) and their upcoming mobile apps, Chad explains how they provide users an easy way to offset their carbon footprint or greenhouse gas emissions by supporting a project of their choice that has real-world, positive environmental impacts.

Providing an update on Karbon-X's portfolio of projects in reforestation, ocean cleanup, and direct air capture, Chad discusses how Karbon-X offers carbon credits to industrial users as well.

Chad also discusses the app's functionalities, including the monthly subscription fees and gifting options, as well as the PDAC initiative called "Drill Green" which allows resource companies to offset their exploration, construction, and extraction impacts.

About Karbon-X Corp.

Karbon-X Corp is a tech-based carbon marketing company specializing in the sale of carbon credits to everyday citizens wishing to reduce their impact on the planet. The company gives users the ability to pick a project that interests them, and subsequently re-invests into carbon offset generating projects that matter most to their users. Industrial users are also afforded the opportunity to offset their environmental impact through the Karbon-X Drillgreen initiative, details of which can be found at drillgreen.ca.
