

# ePlay Digital is your Gateway into the Metaverse

written by InvestorNews | February 17, 2022

One of the biggest trends today is mobile gaming, and one of the largest trends of tomorrow is augmented reality (AR) and the metaverse. AR is a real-world environment where the objects that reside in the real world are enhanced. The metaverse is a network of 3D virtual worlds (virtual reality) focused on social connection.

Today's company is at the leading edge of mobile gaming incorporating AR, VR, and the metaverse.

[ePlay Digital Inc.](#) (CSE: EPY) (ePlay) is a sports, eSports, and entertainment mobile games developer and publisher. ePlay is big on Augmented Reality and the metaverse.

ePlay has over 10+ mobile sports, esports, and entertainment games released and several others readying for commercial release. Some of the most popular mobile apps developed by ePlay include the flagship title [Big Shot Basketball](#) and the [Howie Mandel mobile game](#) collaboration.

ePlay's latest releases include revolutionary 3D AR fitness/running app '[Klocked](#)', sports and entertainment real estate metaverse '[Klocked World](#)', and fantasy sports app '[Fan Freak](#)'.

## **Klocked (augmented reality fitness app)**

ePlay's AR fitness app, [Klocked](#) is an immersive fitness experience that allows you to run in the real world and power your avatar across 400+ virtual courses. You and your avatar can together explore, train, compete with a global community.

Klocked, [recently won the Ember Award](#) for best mobile solution as well as [introducing a new feature](#) called "Join live". It allows you and your avatar to join with friends or new friends while on a run.

Trevor Doerksen, CEO of ePlay Digital and co-creator of Klocked fitness app, [stated](#): "Running with friends is great – strangers too. That's hard in the best of times, and a pandemic is not the best of times....I hope *Klocked Join Live* helps us get out there more, go longer, faster, and meet new people. In the real world or Klocked World, I'm pretty motivated to catch up and join others."

## **Klocked World (sports and entertainment real estate metaverse)**

ePlay [recently released](#) 'Klocked World'. It is a connected virtual world (metaverse) where users buy, sell, collect, build, innovate, and curate unique virtual 'sports and entertainment' real estate. The Klocked World Metaverse Real Estate Platform allows users to purchase property, courses, fields, baseball diamonds, and other iconic or locally famous sports real estate.

## ePlay's promotion, distribution, and market opportunity

In terms of promotion, ePlay partners and investors include comedian and America's Got Talent's Howie Mandel, Top 10 social media star, 7-time NBA champ Robert Horry, and TV host and Sports broadcaster Lindsay McCormick.

For distribution, ePlay is available in Google Play and the Apple app store. ePlay also has a marketing and distribution deal with [one of China's largest media conglomerates](#), with an audience of >100 million viewers.

ePlay's [market opportunity](#) is to tap into the markets for

eSports (US\$1.1 billion), mobile games (US\$107 billion), mobile advertising (US\$107 billion), sports advertising (US\$150 billion) and the sports gaming market (US\$37.9 billion).

### **Closing remarks**

AR and the metaverse are said to be the next big thing. ePlay is at the cutting edge of this trend developing and publishing 'mobile' AR, 3D, and immersive fitness, sports, eSports, and entertainment games apps with superb live experiences that are celebrity-driven, valuable, precious, and unique.

ePlay trades on a market cap of C\$6 million and certainly is a play on the mobile gaming and entertainment future, with AR, VR, and the metaverse all thrown in. Impressive combination and a stock to watch closely in 2022.
