

Chris Berlet from MineralPrices.com Discusses Investing Opportunities from Analyzing Gold Funds

written by InvestorNews | March 15, 2023

In this InvestorIntel interview during PDAC 2023, Tracy Weslosky talks to [MineralFunds.com](https://mineralprices.com)'s President and CIO Christopher Berlet about the rise in interest in the gold sector. "Capitalizing on the best knowledge in the business," Christopher explains how [MineralFunds.com](https://mineralprices.com) is tracking asset allocation of managed gold and mineral funds globally and analyzing the various fund portfolios.

Christopher goes on to discuss the inefficiencies in the market, the disclosure requirements of gold funds, and the advantage of analyzing their holdings that create opportunities for investors to capitalize on.

In addition to tracking 101 gold funds, Christopher says that [MineralFunds.com](https://mineralprices.com) also tracks 5 silver equity funds, 2 exploration funds, and 6 battery metal funds (the fastest growing sector).
