[InvestorNews.com](https://InvestorNews.com) is pleased to announce an upcoming **InvestorTalk** scheduled for tomorrow, **Wednesday, April 2<sup>nd</sup>, at 9 AM EST**, featuring Adam Berk, CEO of [One Bullion Ltd.](#) To participate in this engaging discussion, please [click here](#)

One Bullion is a gold exploration company headquartered in Toronto, Ontario, and owns three exploration projects covering an aggregate of 8,004 km<sup>2</sup> of land in the country of Botswana. One Bullion's strategy is to become a world-class mining and exploration enterprise, while continuing to focus on supporting local communities, sustainability, and delivering value for its shareholders.

In a recent interview with InvestorNews.com host Tracy Hughes during PDAC 2025, Adam Berk shared several critical insights. The [interview](#), titled *"One Bullion CEO Adam Berk Leverages Public Market Expertise to Drive Major Botswana Gold Deal,"* highlighted the following key points:

- **Extensive Land Holdings and Exploration:** One Bullion's operations are spread across three greenstone belts in Botswana, renowned for substantial gold deposits. These belts are historically significant, with outputs of more than 13 million ounces of gold from neighboring regions like South Africa and Zimbabwe.
- **Assays and Drilling Programs:** The company has already completed a substantial amount of groundwork, including

about 20,000 assays. Their ambitious exploration initiatives include a 20,000-meter drilling program at the Kraaipan Gold Project, which aims to discover both shallow high-grade gold and deeper mineralization opportunities, leveraging AI-driven exploration techniques.

- **Corporate Strategy and Financial Plans:** One Bullion is in the process of executing a reverse takeover (RTO) with Imperial Ginseng Products Ltd., aiming to finalize this by the second quarter of 2025.
- **Investment Attractiveness and Market Conditions:** CEO Adam Berk emphasized Botswana's stable governance and supportive mining policies as key factors making the region an attractive investment destination. With recent gold prices surge, One Bullion presents a strategic investment opportunity in the gold market during times of economic uncertainty.
- **Leadership and Investor Confidence:** Adam Berk, with a successful track record of leading several publicly traded companies, expressed strong confidence in the success of One Bullion's projects. He noted substantial investor support, with many investors consistently following him from venture to venture, indicating a robust trust in his leadership and the company's potential.
