written by InvestorNews | June 9, 2025

InvestorNews.com is pleased to announce an upcoming InvestorTalk scheduled for tomorrow, Tuesday, June 10th, at 9 AM EST, featuring Christopher Berlet, President, CEO, and Director from [Stakeholder Gold Corp.](#) (TSXV: SRC). To participate in this engaging discussion, please [click here](#)

Stakeholder Gold Corp. generates cash flow through the sale of exotic blue quartzite via its Brazilian subsidiary, Victoria Mining Corporation, helping minimize shareholder dilution. The company also owns 100% of the Ballarat Gold Project in Yukon, Canada, covering 18,741 hectares in the White Gold District near projects by Newmont Corp. and White Gold Corp.

In preparation for tomorrow's InvestorTalk, here are the three most recent news releases from Stakeholder Gold for your review, which are listed below:

- May 1, 2025 – SRC Announces Q1 Revenue & First White Quartzite Shipment – [click here](#)
- March 11, 2025 – Stakeholder Submits Class 1 Drilling Notification for Ballarat – [click here](#)
- March 10, 2025 – Stakeholder Closes Private Placement – [click here](#)

Here are 5 key data points from their May 1st news release

titled, "SRC Announces Q1 Revenue & First White Quartzite Shipment":

- **Q1 2025 Sales Performance:** Stakeholder Gold Corp. reported Q1 2025 sales of 148 cubic meters of exotic Blue Quartzite, generating 1.49 million BRL (~CAD 363,000)—up from 88.5 m³ and BRL 692,900 (~CAD 169,000) in Q1 2024.
- **White Quartzite Quarry Now Operational:** The company's third quarry is operational, producing White Quartzite for both domestic sales in Brazil and first-time exports to Canada as polished slabs.
- **Production Targets:** Stakeholder aims to reach a monthly production rate of 100 m³ of White Quartzite by the end of June 2025, with plans to scale up to 200 m³ per month in H2 2025.
- **Positive Market Response:** Strong domestic and international interest in White Quartzite has prompted the company to secure equipment for expanded production, citing attractive material aesthetics and early signs of profitability.
- **Resumed Blue Quartzite Demand:** Buyers have resumed purchases of exotic Blue Quartzite from quarry #1, following inventory depletion, supporting renewed cash flow and sales momentum expected through H1 2025.
