"We are very pleased with the performance of ALT5 Sigma, particularly considering that our Q2 results reflect only about

45 days of combined operations since the transaction was completed mid-quarter,” stated Tony Issac, CEO of ALT5 Sigma. “We are witnessing positive momentum in Q3 and are confident in our capacity to sustain this trajectory of profitable growth.”.

The Company continues to explore options for its biotechnology business and is evaluating various strategies to unlock stockholder value. As previously reported, the board and management are considering multiple alternatives to monetize the company’s biotech assets, which may include a partial or full spin-off, the establishment of one or more strategic alliances, or negotiations regarding a partial or full sale.

Our fiscal second quarter only includes initial revenue, profits and cashflows from the Company’s Fintech business from May 15, 2024 forward, representing the date on which the acquisition of Alt 5 Sigma was closed.

The Company changed its corporate name from JanOne Inc. to ALT5 Sigma Corporation effective July 15, 2024.

About ALT5 Sigma

The Company is a unique Nasdaq-listed multidisciplinary organization with a focus on healthcare and fintech. The Company is one of the constituents of the Russell Microcap Index, as of June 28, 2024.

Launched in 2018, ALT5 Sigma Inc. (a wholly-owned subsidiary of ALT5 Sigma Corporation) is a fintech company that provides next generation blockchain-powered technologies to enable a migration to a new global financial paradigm. ALT5 Sigma Inc., through its subsidiaries, offers two main platforms to its customers: “ALT5 Pay” and “ALT5 Prime”. ALT5 Sigma Inc. processed over US\$1.2 billion in cryptocurrency transactions in 2023.

ALT5 Pay is a crypto-currency payment gateway that enables registered and approved global merchants to accept and make crypto-currency payments or to integrate the ALT5 Pay payment platform into their application or operations using the plugin with WooCommerce and or ALT5 Pay's checkout widgets and APIs. Merchants have the option to convert to fiat currency (s) automatically or to receive their payment in digital assets.

ALT5 Prime is an electronic over-the-counter trading platform that enables registered and approved customers to buy and sell digital assets. Customers can purchase digital assets with fiat and, equally, can sell digital assets and receive fiat. ALT5 Prime is available through a browser-based access mobile phone application named "ALT5 Pro" that can be downloaded from the Apple App Store, from Google Play, through ALT5 Prime's FIX API, as well as through Broadridge Financial Solutions' NYFIX gateway for approved customers.

Through its biotech activities, the Company is developing innovative, actionable solutions intended to help end the opioid crisis. The Company is dedicated to funding resources toward innovation, technology, and education to find a key resolution to the national opioid epidemic, which is one of the deadliest and most widespread in the nation's history. Its drugs in the clinical trial pipeline have shown promise for their innovative targeting of the causes of pain as a strategic option for physicians averse to exposing patients to addictive opioids.
