

ALT5 Sigma to Exhibit at iFX EXPO International June 17-19, 2025

written by Raj Shah | June 11, 2025

June 11, 2025 ([Source](#)) – ALT5 Sigma Corporation (NASDAQ:ALTS)(FRA:5AR1), a fintech specializing in turnkey, crypto-related solutions for institutions and merchants, is pleased to announce its participation in **iFX EXPO International**, taking place June 17, 2025, in Limassol, Cyprus.

ALT5 Sigma will exhibit at **Booth #97** and is proud to be back for a second year at this flagship event. iFX EXPO has become the premier gathering in the online trading industry, setting a high standard for excellence.

ALT5's infrastructure powers real-time stablecoin settlement, crypto payment processing, and digital asset rails for use cases ranging from cross-border merchant payments to API-driven fintech integrations and FX and trading desks seeking digital asset exposure.

"We're excited to participate in iFX EXPO International, a premier event that brings together the brightest minds in fintech and trading. At ALT5, we're passionate about advancing digital asset integration, and this expo offers a fantastic opportunity to connect, collaborate, and showcase how our technology is helping shape the future of finance," said **Peter Tassiopoulos**, CEO of ALT5 Sigma.

Built for Scale, Designed for Compliance

ALT5 delivers an API-first, custody-ready infrastructure that enables real-time settlement, stablecoin-based payments, and

digital asset capabilities at scale. Used by fintechs, payment processors, FX, trading desks, and neobanks, ALT5's platform supports enterprise-grade integration, while aligning with evolving regulatory frameworks.

Whether building new rails for programmable payments or navigating compliant access to digital assets, ALT5 helps bridge traditional finance with emerging digital systems-offering tools designed for institutional-grade deployment.

Meet ALT5 Sigma at iFX EXPO International 2025

The ALT5 team, and product specialists, will be on-site for live demos, partner meetings, and ecosystem conversations throughout the event.

To connect, please reach out to info@alt5sigma.com or stop by **Booth # 97** on the show floor.

About ALT5 Sigma Corporation

[ALT5 Sigma Corporation](#) (NASDAQ:ALTS) (FRA:5AR1) is a fintech, providing next generation blockchain-powered technologies for tokenization, trading, clearing settlement, payment, and safe keeping of digital assets. ALT5 has been a constituent of the Russell Microcap Index since June 28, 2024.

Founded in 2018, ALT5 Sigma, Inc. (a wholly owned subsidiary of ALT5 Sigma Corporation) enables the migration to a new global financial paradigm through its suite of blockchain infrastructure technologies. ALT5 Sigma, Inc., through its subsidiaries, offers two main platforms: "ALT5 Pay" and "ALT5 Prime." The Company has processed over \$5 billion USD in cryptocurrency transactions since inception.

ALT5 Pay is an award-winning cryptocurrency payment gateway that enables registered and approved global merchants to accept and

make cryptocurrency payments or to integrate the ALT5 Pay payment platform into their application or operations using the plugin with WooCommerce and or ALT5 Pay's checkout widgets and APIs. Merchants have the option to convert to fiat currency(s) automatically or to receive their payment in digital assets.

ALT5 Prime is an electronic over-the-counter trading platform that enables registered and approved customers to buy and sell digital assets. Customers can purchase digital assets with fiat and, equally, can sell digital assets and receive fiat. ALT5 Prime is available through a browser-based access mobile phone application named "ALT5 Pro" that can be downloaded from the [Apple App Store](#), from Google Play, through ALT5 Prime's FIX API, as well as through Broadridge Financial Solutions' NYFIX gateway for approved customers.

The Company is also advancing the separation of its biotech business, which will continue under "Alyea Therapeutics Corporation." Through its biotech activities, the Company is focused on bringing to market drugs with non-addictive pain-relieving properties to treat conditions that cause chronic or severe pain. Our patented product, a novel formulation of low-dose naltrexone (JAN123), is being initially developed for the treatment of Complex Regional Pain Syndrome (CRPS), an indication that causes severe, chronic pain generally affecting the arms or legs. The FDA has granted Jan123 Orphan Drug Designation for treatment of CRPS.

Forward Looking Statements

This press release contains statements that are forward-looking statements as defined within the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements relating to the profitability and prospective growth of ALT5's platforms and business, that may include, but are not limited

to, international currency risks, third-party or customer credit risks, liability claims stemming from ALT5's services, and technology challenges for future growth or expansion. This press release also may contain statements and links relating to risks that JAN 101 will treat PAD, that JAN 123 will treat CRPS, the timing of the commencement of clinical trials, that the FDA will permit approval through a 505(b)(2) pathway for JAN 123, that upon approval JAN 101 will immediately disrupt the PAD market, and other statements, including words such as "continue", "expect", "intend", "will", "hope", "should", "would", "may", "potential", and other similar expressions. Such statements reflect the Company's current view with respect to future events, are subject to risks and uncertainties, and are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political, and social uncertainties, and contingencies.

Many factors could cause the Company's actual results, performance, or achievements to be materially different from any future results, performance, or achievements described in this press release. Such factors could include, among others, those detailed in the Company's periodic reports filed with the Securities and Exchange Commission (the "SEC"). Should one or more of these risks or uncertainties materialize, or should the assumptions set out in the sections entitled "Risk Factors" in the Company's filings with the SEC underlying those forward-looking statements prove incorrect, actual results may vary materially from those described herein. These forward-looking statements are made as of the date of this press release and the Company does not intend, and does not assume any obligation, to update these forward-looking statements, except as required by law. The Company cannot assure that such statements will prove to be accurate as actual results, and future events could differ

materially from those anticipated in such statements. Individuals are cautioned that forward-looking statements are not guarantees of future performance and accordingly investors are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein.
