March 25, 2025 (Source) – **ALT5 Sigma Corporation (NASDAQ:ALTS)**, a fintech, providing next generation blockchain-powered technologies for tokenization, trading, clearing, settlement, payment, and safe-keeping of digital assets, announced its participation in the upcoming Transact Las Vegas.

ALT5 will be exhibiting through the three days of the show at the Mandalay Bay, Las Vegas, providing product demonstrations, solutions and general information to many of the 3,000+ attendees starting April 2nd in booth #861.

Transact 2025, powered by the Electronic Transactions Association (ETA), is the leading event dedicated to the business of payments. Taking place in Las Vegas, it brings together key players across the payment's ecosystem-banks, fintechs, merchants, ISOs, payment processors, and technology providers. The conference highlights cutting-edge innovations in payment processing, digital assets, embedded finance, and blockchain, with a focus on shaping the future of how money moves.

"ALT5 Sigma is thrilled to attend the Transact Las Vegas conference, a premier event that brings together the brightest minds in payments and fintech. As a trusted provider of digital asset trading and settlement solutions, we are participating to connect with industry leaders, showcase our innovative technologies, and explore new partnerships that drive the future of secure, compliant digital finance," said Vay Tham, CRO ALT5

Sigma Corporation.

About ALT5 Sigma

The Company is a unique Nasdaq-listed multidisciplinary organization with a focus on healthcare and fintech. The Company is one of the constituents of the Russell Microcap Index, as of June 28, 2024.

Launched in 2018, ALT5 Sigma Inc. (a wholly-owned subsidiary of ALT5 Sigma Corporation) is a fintech company that provides next generation blockchain-powered technologies to enable a migration to a new global financial paradigm. ALT5 Sigma Inc., through its subsidiaries, offers two main platforms to its customers: “ALT5 Pay” and “ALT5 Prime”. ALT5 Sigma Inc. processed over US$1.2 billion in crypto-currency transactions in 2023 and over $xxx billion in crypto-currency transactions in the first nine months of 2024.

ALT5 Pay is a crypto-currency payment gateway that enables registered and approved global merchants to accept and make crypto-currency payments or to integrate the ALT5 Pay payment platform into their applications or operations using the plugin with WooCommerce and or ALT5 Pay’s checkout widgets and APIs. Merchants have the option to convert to fiat currency(ies) automatically or to receive their payment in digital assets.

ALT5 Prime is an electronic over-the-counter trading platform that enables registered and approved customers to buy and sell digital assets. Customers can purchase digital assets with fiat and, equally, can sell digital assets and receive fiat. ALT5 Prime is available through a browser-based access mobile phone application named “ALT5 Pro” that can be downloaded from the Apple App Store, from Google Play, through ALT5 Prime’s FIX API, as well as through Broadridge Financial Solutions’ NYFIX gateway for approved customers.

Through its biotech activities, the Company is developing innovative, actionable solutions intended to help end the opioid crisis. The Company is dedicated to funding resources toward innovation, technology, and education to find a key resolution to the national opioid epidemic, which is one of the deadliest and most widespread in the nation’s history. Its drugs in the clinical trial pipeline have shown promise for their innovative targeting of the causes of pain as a strategic option for physicians averse to exposing patients to addictive opioids.

Forward Looking Statements

This press release contains statements that are forward-looking statements as defined within the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements relating to the profitability and prospective growth of ALT5’s platforms and business, that may include, but are not limited to, international currency risks, third-party or customer credit risks, liability claims stemming from ALT5’s services, and technology challenges for future growth or expansion.
