# American Tungsten Corp. Adjourns Annual General and Special Meeting

written by Raj Shah | June 30, 2026

June 30, 2026 (Source) – **American Tungsten Corp. (TSXV: TUNG) (OTCQB: TUNGF) (FSE: RK90) ("American Tungsten" or the "Company")** today announced a rescheduling of its hybrid format annual general and special meeting of shareholders. Initially planned for June 29, 2026, at 11:00 a.m. ET, the meeting was adjourned due to technical difficulties with the third-party hosting site. The meeting will be reconvened at 11:00 a.m. ET on July 15, 2026 and can be accessed at www.AGMCMeeting.com.

**About American Tungsten Corp.**

American Tungsten Corp. is a Canadian-based exploration and development company focused on advancing the Ima Mine Project, a high-quality, private-patented, past-producing underground tungsten mine located in Idaho, USA. The Company's strategy is centered on advancing the Ima Mine back into commercial production through a clearly defined, phased development approach. Phase I involves the evaluation and potential processing of existing surface tailings, providing a lower-capital pathway to near-term production. Phase II is focused on the rehabilitation and restart of the historic underground mine, leveraging the site's extensive existing infrastructure and historical production profile.

With tungsten recognized as a critical metal for defense, industrial manufacturing, and advanced technologies, American Tungsten is focused on re-establishing domestic tungsten production and supporting North American supply chain
