

# American Tungsten Corp. Announces Non-Brokered Private Placement of Shares

written by Raj Shah | June 30, 2025

June 30, 2025 ([Source](#)) – American Tungsten Corp. (CSE:TUNG) (OTCQB:DEMRF) (FSE:RK9) (“American Tungsten” or the “Company”) is pleased to announce that it will proceed with a non-brokered private placement of up to 5,000,000 common shares of the Company (the “Shares”) at \$0.50 per Share for gross proceeds of up to \$2,500,000 (the “Offering”).

“Securing this capital marks an important step forward for American Tungsten. It allows us to accelerate development of the IMA Tungsten Project and pursue additional strategic opportunities, positioning us to become a leading domestic source of this critical metal. As global demand for tungsten continues to rise, we are proud to advance a secure, North American supply chain that supports long-term growth,” stated Ali Haji, President and CEO of American Tungsten Corp.

In connection with the Offering, the Company will pay finders’ fees of up to 7.0% of the gross proceeds raised by the Company from the sale of Shares to subscribers directly introduced to the Company by eligible finders. In addition, the Company will issue to eligible finders non-transferable finders’ warrants of up to 7.0% of the number of Shares sold in the Offering. Each finders’ warrant will entitle the holder to acquire one Share at a price of \$0.50 per Share for a period up to 24 months from the date of issuance, all in accordance with the policies of the Canadian Securities Exchange (“CSE”).

The Company will use the net proceeds from the Offering to fund

exploration work programs, option payments, mineral property acquisitions, marketing and for general working capital purposes.

Closing of the Offering is subject to a number of conditions, including receipt of all necessary corporate and regulatory approvals, including the CSE. The Offering is not subject to a minimum aggregate amount of subscriptions. All securities issued in connection with the Offering will be subject to a statutory hold period of four months plus a day from the date of issuance in accordance with applicable securities legislation and the CSE.
