

Appia Announces Non-Brokered Flow-Through Private Placement

written by Raj Shah | December 18, 2023

December 18, 2023 ([Source](#)) – **Appia Rare Earths & Uranium Corp.** (CSE: API) (OTCQX: APAAF) (FSE: A0I0.F) (FSE: A0I0.MU) (FSE: A0I0.BE) (the “Company” or “Appia”) is pleased to announce a non-brokered private placement of up to 5,000,000 flow-through shares (the “FT Shares”) at \$0.30 per FT Share for up to \$1,500,000 (the “Offering”). The closing of the Offering will be on or before December 29, 2023 (“Closing”). The FT Shares to be issued under the Offering will have a hold period of four months and one day from the date of Closing.

The gross proceeds from the sale of FT Shares will be used for Canadian Exploration Expenses (within the meaning of the *Income Tax Act* (Canada) (the “Tax Act”)) which qualify as a “flow-through critical mineral mining expenditure” for purposes of the Tax Act related to the exploration program of the Company to be conducted on the Company’s properties located in Saskatchewan. The Company will renounce such Canadian Exploration Expenses with an effective date of no later than December 31, 2023. The Canadian Exploration Expenses to be renounced by the Company will qualify for the critical mineral exploration tax credit under the Tax Act.

Cash finder’s fees will be paid to eligible finders pursuant to this Offering.

The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration

requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.
