# Australian Rare Earths: Quarterly Investor Webinar

written by Raj Shah | August 4, 2026

August 4, 2026 (Source) – Australian Rare Earths (ASX: AR3) is pleased to invite shareholders and investors to a live webinar following the release of its June 2026 Quarterly Activities Report.

Managing Director and CEO Travis Beinke will provide an update on the Company's recent progress, including the successful completion of the Pre-Feasibility Study (PFS) for the Koppamurra Rare Earth Project, ongoing permitting and development activities, and key milestones planned for the remainder of 2026 as Australian Rare Earths advances Australia's leading ionic clay rare earths project toward development.

**Topics to be discussed include:**

- Key highlights from the June 2026 Quarter and progress across the Koppamurra Project
- What the recently completed PFS means for project development, economics and the pathway toward production
- Progress on permitting, including the Mining Lease Application and environmental approvals
- The strategic significance of Koppamurra's rare earth basket and its role in securing western critical mineral supply chains
- Upcoming catalysts, including Definitive Feasibility Study activities, offtake discussions and project funding initiatives
- Live Q&A with Managing Director and CEO, Travis Beinke

**Date:** Tuesday 4th August 2026

**Time:** 11:00AM AEST

To attend the event in person please register via this Link.

Shareholders and interested parties are encouraged to submit questions ahead of the event via the webinar registration function or by emailing hello@ar3.com.au

Approved for release by the Company Secretary.
