At the Meeting, shareholders also re-appointed Ernst & Young LLP

as auditors of the Company.

At 2:00pm, the Company hosted a second virtual shareholders meeting with 41 attendees during which President & CEO, Don Bubar provided an Update Presentation on the Company's recent activities and future plans. A copy of this presentation is available on the Company's website at: <https://www.avalonadvancedmaterials.com/investors/presentations>.

### **About Avalon Advanced Materials Inc.**

Avalon Advanced Materials Inc. is a Canadian mineral development company specializing in sustainably-produced materials for clean technology. The Company now has four advanced stage projects, providing investors with exposure to lithium, tin and indium, as well as rare earth elements, tantalum, cesium and zirconium. Avalon is currently focusing on developing its Separation Rapids Lithium Project near Kenora, Ontario while continuing to advance other projects, including its 100%-owned Lilypad Cesium-Tantalum-Lithium Project located near Fort Hope, Ontario. Social responsibility and environmental stewardship are corporate cornerstones.
