

Azincourt Energy Signs LOI to Option Peruvian Projects to Oberon Uranium Corp

written by Raj Shah | April 7, 2022

April 7, 2022 ([Source](#)) – **AZINCOURT ENERGY CORP.** (“Azincourt” or the “Company”; **TSX.V: AAZ, OTCQB: AZURF**) is pleased to announce it has signed a non-binding letter of intent (“**LOI**”), dated April 4, 2022, with Oberon Uranium Corp. (“**Oberon**”), an arms-length party, for a proposed transaction wherein Oberon would be granted an option to acquire the Escalera Group, a 100%-owned series of uranium-lithium exploration projects (collectively, the “**Projects**”), located in southern Peru.

Under the terms of the LOI, Oberon has 90 days to conduct due diligence on the Projects, following which Oberon has the right to negotiate an option to acquire 100% interest in the Projects from the Company by completing the following proposed payments and expenditures:

- \$25,000 cash and 100,000 shares of Oberon upon signing a definitive agreement;
- \$25,000 cash, 250,000 shares and \$50,000 in work expenditures on or before the 12 month anniversary of the definitive agreement;
- \$50,000 cash, 250,000 shares and \$200,000 in work expenditures on or before the 24 month anniversary of the definitive agreement;
- \$50,000 cash, 250,000 shares and \$250,000 in work expenditures on or before the 36 month anniversary of the definitive agreement; and
- \$100,000 cash, 250,000 shares and \$500,000 in work expenditures on or before the 48 month anniversary of the

definitive agreement;

For a total commitment of \$250,000, 1,100,000 shares and \$1,000,000 in work expenditures. During the term of the option, Oberon will be responsible for all costs and expenses associated with maintaining the Projects in good standing, including any required regulatory filings and maintenance fees.

Completion of the transaction with Oberon is subject to a number of conditions, including, but not limited to, completion of due diligence, negotiation of definitive terms and documentation in respect of the transaction, and the receipt of any required regulatory approvals, including the approval of the TSX Venture Exchange. The transaction cannot be completed until these conditions are satisfied. Any securities issued in connection with the transaction will be subject to a four-month-and-one-day statutory hold period from the time of issuance.
