written by Raj Shah | January 17, 2024

January 17, 2024 ([Source](#)) – Ciscom Corp. (CSE: CISC) (OTCQB: CISCF) (“Ciscom” or “the Company”) is pleased to announce strong revenue growth for 2023, and the hiring of Sheri Rogers as EVP Managing Director of its subsidiary, Prospect Media Group (“PMG”).

Strong Topline Growth

For the year ended December 31, 2023, Ciscom had Revenue of \$35.014M up from \$14.766M over 2022 for a growth of \$17.137M or 95.9%. For the same period, Gross Profits were \$6.772M up from \$2.785M in 2022, an increase of \$3.987M or 143.2%. In the process, the Company increased its Gross Margin from 15.6% in 2022 to 19.3% in 2023, an improvement of 24.1%.

On a pro forma basis, including PMG results for the full year in 2022, for the year ended December 31, 2023, Ciscom had Revenue of \$35.014M up 3.5% over 2022. For the same period, Gross Profits were \$6.772M up from \$5.872M in 2022, an increase of \$900k or 15.3%. In the process, the Company increased its Gross Margin from 17.4% in 2022 to 19.3% in 2023, an improvement of 11.4% – this growth is related to improved procurement practices, expanded services and the discontinuation of low margin projects.

The Company was able to increase its Revenue and Gross Profit despite industry contraction – a remarkable accomplishment when considering the difficult economic environment as a majority of the Company’s revenues come from the retail sector which has been impacted by the current economic conditions where budgets have been reduced.

“The Company had a very strong growth and a record year amid turbulent markets. The business delivered on strategy which was complemented by the solid contribution of all team members. Cisco is building a robust and profitable business with significant recurring revenue. With our current key contributors and leaders in place, that can effectively address growth, operations and integrations, the Company is set to further prosper. We are targeting both organic and acquisition growth. Our team members coupled with our proprietary technology are the cornerstones of our continued performance, market leadership and competitiveness,” said Michel Pepin, Cisco’s President & CFO.

The financial reports above are unaudited. Consolidated audited financial statements should be filed by the end of April 2024.

New EVP Managing Director

We are pleased to welcome Sheri Rogers to Cisco as PMG’s EVP Managing Director. Sheri most recently spent three years as EVP Business Solutions at Horizon Media. She brings extensive executive experience leading major agencies and client portfolios, holding senior-level executive roles at Horizon Media, Dentsu Media/DentsuBos and Cossette. As an entrepreneur-minded, hands-on executive, Sheri has developed and guided strategies for expanding integrated omni-channel strategy services for national retailers.

“Sheri is one of our industry’s most accomplished leaders, bringing a dynamic approach that will elevate and transform PMG’s unique data-driven omni-channel media offerings,” said PMG’s President Dave Mathews. “At Prospect Media, we equip our clients with consumer data and insights to give them a competitive advantage. Sheri will enable our agency to quickly identify, adapt and respond to the challenges of a rapidly changing consumer, retail, and media landscape, with her mandate to unlock growth for our clients.”

Sheri will focus on refining the agency's operations and services, overseeing existing client relationships and new growth opportunities. She will also continue to expand services for all clients.

"The addition of Sheri to the team is a definite positive for Ciscom as she brings a wealth of knowledge and expertise at several levels. I look forward to working with Sheri, increasing our client centric focus, leading to continued growth," said Michel Pepin, Ciscom's President & CFO.
