

# Contenthouse Selects Moovly Media for German Speaking Market

written by Raj Shah | November 12, 2020

November 12, 2020 ([Source](#)) – **Moovly Media Inc. (TSXV: MVY) (OTC: MVVYF) (FSE: 0PV2) (“Moovly” or the “Company”)** is pleased to announce that it has been selected by and signed a reseller partner agreement with Contenthouse GmbH (“Contenthouse”), a leader in the Swiss media content creation market.

As part of the deal, Contenthouse will market, sell and support Moovly’s products in German to the DACH market (primarily Germany, Austria and Switzerland). Contenthouse will invest in developing German language online sales and marketing materials as well as a dedicated sales team to position Moovly’s products in those countries.

Benjamin Pipa, CEO of Contenthouse said: “We looked extensively at the market and the various players. Moovly was clearly the best and most flexible platform on the market, especially their template-based production solutions and Automator technology which is monetizable by us.”

Brendon Grunewald, President, commented: “We are excited to be working with Contenthouse, a serious Swiss content player, to accelerate sales in the German speaking market. Given our focus on partnerships as an important part of our strategy, we’re especially happy to see the innovative way Contenthouse plans to co-brand and repackage Moovly’s product offerings to the market.”

**About Moovly:**

Moovly is the leading provider of creative cloud-based tools to tell marketing, communications and training stories using videos and video presentations. Moovly's advanced Studio Editor with millions of assets seamlessly integrated (via partnerships with Getty Images & Storyblocks) is all you need to make engaging video content to promote, communicate or explain your product, service or message. Moovly's API and Automator technologies allow third parties to automate parts or all of the content creation process, including mass video customization, personalized videos (video version of mail merge), automatic content creation or updating by connecting data sources. With clients including users from over 300 of the Fortune 500, small businesses, freelancers and Ivy league universities, Moovly is an intuitive, cost effective choice for DIY creation of engaging video-based content.
