written by Raj Shah | October 17, 2024

October 17, 2024 ([Source](#)) – Diagnos Inc. ("**DIAGNOS**" or the "**Corporation**") (TSX Venture: ADK) (OTCQB: DGNOF), a pioneer in early detection of critical health issues through the use of its FL*AI*RE platform based on Artificial Intelligence (AI), announces today the engagement of Red Cloud Securities Inc. ("Red Cloud") to provide market making services to the Corporation.

As per the agreement signed between Red Cloud and DIAGNOS, Red Cloud is entitled to a monthly flat fee of $7,000, payable quarterly in advance in cash, for the period of October 17, 2024 to October 16, 2026 (the "Period"). During the Period, either party may terminate the agreement with a thirty-day notice to the other party.

As part of the services to be rendered to the Corporation, Red Cloud undertakes to use its best efforts to (i) maintain a reasonable and consistent bid and offer spread for the Corporation's common stocks and (ii) supply liquidity using its own cash in hand. The services will mainly be rendered by Mr. Adam Smith who is acting at arm's length to the Corporation. As of the date of this announcement, Red Cloud, together with Mr. Adam Smith, own securities of the Corporation in the form of common shares and shares warrants.

The engagement of Red Cloud remains subject to the acceptance of the TSX Venture Exchange.
