

DIAGNOS to Extend Exercise Period of Stock Warrants Expiring on December 5, 2025

written by Raj Shah | November 13, 2025

November 13, 2025 ([Source](#)) – Diagnos Inc. (“DIAGNOS” or the “Corporation”) (TSX Venture: ADK, OTCQB: DGNOF, FWB: 4D4A), a pioneer in early detection of critical health issues using advanced technology based on Artificial Intelligence (AI), announces that it intends to extend the exercise period of an aggregate of 3,502,931 stock warrants (each a “Warrant”) issued as part of a non-brokered private placement of units initially announced on June 5, 2024 and set to expire on December 5, 2025.

Subject to the TSX Venture Exchange (the “Exchange”) consent, the extended expiry date shall be August 5, 2026 (the “Amendment”). All other provisions of the Warrants, such as the Warrants exercise price of \$0.40 per common share of the Corporation, will remain unchanged and fully in effect during the extended exercise period.

The Corporation will issue a follow up press release solely in the case where the Exchange rejects the application for the Amendment.

All monies quoted in this press release shall be stated in lawful money of Canada.
