Klocked app to allow pets to join their owners on a run

June 16, 2022 ([Source](#)) – [ePlay Digital Inc. \(CSE:EPY\)\(OTC PINK:EPYFF\)\(FSE:2NY2\)](#) (the “Company”) today announced the Klocked running app to feature the first Pet Store in the Metaverse. The new feature will allow runners to take their 3D pets for a run around their neighborhood in augmented reality and around the Metaverse in [Klocked](#). Being the first Metaverse pet store that allows users to purchase and earn pets to take for a real-world walk or run, the pet store is simply named, *The Pet Store*. Three dog breeds will be available when the feature is released. Other types of dogs and other pets will be added to *The Pet Store* over time.

The Pet Store first opens in [Klocked World](#) on Avenue des Champs-Élysées in the 8th arrondissement of Paris in Place Concorde – near the start line of the Klocked Paris 10k. Purchases are available [online](#) and in the [Klocked App](#). The Klocked Pet Store will also be available as a [franchise](#) and those interested can sign up for early access.

“We are excited to bring pets to the Metaverse for runners,” says Trevor Doerksen, CEO of ePlay Digital and co-creator of Klocked. “Runners can run with their new pets in augmented reality and 3D, view them live, in replays, highlights, and just hang out at the start and finish lines too.”

ePlay will officially launch *The Pet Store* at the 3rd annual [Avenue Innovation Event](#) on June 16, 2022 during a presentation from ePlay CEO, Trevor Doerksen, on Metaverse. The event celebrates innovations, leadership, and the new economy. Doerksen's session, from 1:40 to 2:30 PM, on Metaverse market, Metaverse marketing, Metaverse technology, and next steps in the Metaverse includes a question and answer session.

The company also announced today that Android development is well underway with major sections of the app, including *The Pet Store*, being complete. Testing with early access users is expected to begin soon.
