About Everyday People Financial Corp.

Everyday People Financial Corp. is a technology-driven financial services company with a mission to help individuals and businesses manage money better. First established in 1988, we have a workforce of 550 people operating in the United Kingdom and Canada providing fully fee-for-service solutions across two business pillars operating in Canada and the United Kingdom.

Revenue Cycle Management (RCM), which helps organizations recover receivables and streamline billing processes without purchasing consumer debt, and Financial Services, which provides

digital tools and credit access programs that support Canadians on their financial journey, all without lending money.

Founded on the belief that everyone deserves a second chance to rebuild financial health and wealth, the Company is committed to providing affordable, innovative, and responsible financial solutions that create lasting value for our clients, customers, and shareholders.

We are changing the way people manage money by enhancing our client and consumer services with our own affordability assessment programs with specialized financial products and literacy programs. We're helping everyday people rebuild their financial health for generational wealth. We stand for creativity and entrepreneurship. Our combination of companies, products and services has been established to ensure we can fulfill consumers' financial needs and service them in a low-cost and effective manner.

Cautionary Note Regarding Forward-Looking Statements

This news release includes certain "forward-looking statements" or "forward-looking information" (collectively referred to hereafter as "forward-looking statements") under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements with respect to financial performance, results of operations, integration of the

acquired businesses, and the business, plans, strategy, and operations of the Company. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to, expectations and assumptions concerning the Company and the acquired businesses as well as other risks and uncertainties, including those described in the documents filed by the Company on SEDAR+ at www.sedarplus.ca. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
