

Experion Announces Letter of Intent with Polish Import and Distribution Company

written by Raj Shah | June 25, 2019

June 25, 2019 ([Source](#)) – **Experion Holdings Ltd.** (“Experion” or the “Company”) (TSXV: EXP) (OTCQB:EXPFF) (FRANKFURT:MB31), formerly Viridium Pacific Group Ltd., is pleased to announce that it has signed a non-binding Letter of Intent (“LOI”) with a Polish Import and distribution Company (“Polish Company”) to export medical flower products to Poland for scientific purposes.

The executed LOI consist of two parts, part one, will see Experion exporting medical flower products to Poland for scientific purposes enabling the Polish Company to test and develop Experion’s flower products. Upon the successful testing and development of the flower products and once a viable export and import channel has been established between Canada and Poland, part two of the LOI will commence which will see Experion exporting increased quantities of its flower products into Poland for medical use. Experion will also have completed its EU GMP certification which will allow for part two of the LOI.

Mr. Jay Garnett, Chief Executive Officer commented, “The LOI represents a major milestone for Experion. As medical marijuana becomes more legalized around the world, Experion continues to focus on the vast export market in countries with early opportunities. By exporting products for scientific research, we are able to move past barriers to entry and be one of the first Canadian producers to enter Poland”

Pursuant to the LOI, Experion and the Polish Import Company will work towards a definitive agreement as Experion seeks to increase export opportunities in Europe and continue to build Experion's international distribution chain.

Mr. Jay Garnett further commented "I am truly proud of the work that the team has done and the great strides we have made to date. This is yet another result of solid teamwork that can only be achieved by having a shared vision and goal as we work diligently to unlock value for our most important asset and audience – our shareholders.
