

Experion Holdings Ltd. Trading on Frankfurt Stock Exchange Under New Company Name

written by Raj Shah | July 3, 2019

July 3, 2019 ([Source](#)) – **Experion Holdings Ltd.** (“Experion” or the “Company”) (TSXV: EXP) (OTCQB:EXPFF) (FRANKFURT:MB31), formerly Viridium Pacific Group Ltd., announced today that its shares are now trading on the Frankfurt Stock Exchange under the Company’s new name Experion Holdings Ltd. The symbol and WKN have not changed and remains **“MB31” and “WKN:A2PLZG”**.

The Company’s shares continue to be listed on the TSXV under the ticker **“EXP”** and on the OTCQB market in the US under the ticker **“EXPFF”**

Mr. Jay Garnett, Chief Executive Officer commented, “Experion is pursuing international growth strategies, such as the vast export market in countries with early opportunities. Having our new name reflected on the Frankfurt Stock Exchange will allow us to grow our shareholder base throughout Europe and attract global recognition as we work diligently to unlock value for our current shareholders and new shareholders to come”

The Frankfurt Stock Exchange is one of the world’s largest trading centres for securities. With a share in turnover of around 90 per cent, it is the largest of Germany’s seven stock exchanges and it is an international trading centre, which is reflected in the structure of its participants. Of the approximately 200 market participants, roughly 50% are from countries other than Germany.

On June 25th Experion announced an LOI with a Polish Import and

Distribution Company. The LOI will see Experion exporting medical flower products to Poland for scientific purposes enabling the Polish Company to test and develop Experion's flower products. Ultimately Experion's goal is to export increased quantities of its flower products into Poland for medical use.

Mr. Jay Garnett further commented "As investor interest and momentum in the cannabis industry continues to accelerate, Experion will be well-positioned to participate in the European and global cannabis markets as they continue to expand, and we receive our EU GMP certification that will allow Experion products to be exported across Europe."
