

# F3 Announces Concurrent Non-Brokered Private Placement for Gross Proceeds of up to C\$2.0 Million

written by Raj Shah | April 18, 2023

April 18, 2023 ([Source](#)) – **F3 Uranium Corp. (TSXV: FUU) (OTCQB: FUUFF)** (“**F3 Uranium**” or the “**Company**”) is pleased to announce a non-brokered private placement (the “**Non-Brokered Private Placement**”) for gross proceeds of up to C\$2,000,000 that will be completed concurrent to the “bought deal” private placement as previously announced by the Company in a press release dated April 18, 2023. Under the Non-Brokered Private Placement, the Company intends to sell up to 4,255,319 additional flow-through units of the Company (each, a “**FT Unit**”) at a price of C\$0.47 per FT Unit (the “**Offering Price**”). Each FT Unit will consist of one common share of the Company (each, a “**Common Share**”) to be issued as a “flow-through share” within the meaning of the Income Tax Act (Canada) (each, a “**FT Share**”) and one half of one Common Share purchase warrant (each whole warrant, a “**Warrant**”). Each whole Warrant shall entitle the holder to purchase one Common Share at a price of C\$0.47 at any time on or before that date which is 36 months after the closing date of the Non-Brokered Private Placement.

The FT Units under the Non-Brokered Private Placement will be offered by way of the “accredited investor” and minimum amount investment” exemptions under National Instrument 45-106 – *Prospectus Exemptions* in all of the provinces of Canada with the exception of Quebec. The Common Shares issuable from the sale of the FT Units will be subject to a restricted period in

Canada ending on the date that is four months plus one day following the closing of the Non-Brokered Private Placement as defined in Subsection 2.5(2) of Multilateral Instrument 45-102 – *Resale of Securities*.

The Non-Brokered Private Placement is expected to close on May 26, 2023. A finder's fee may be paid on a portion of the proceeds from the Non-Brokered Private Placement.

The proceeds of the Non-Brokered Private Placement will be used by the Company to fund exploration of the Company's projects in the Athabasca Basin.

### **About F3 Uranium Corp.**

F3 Uranium is a uranium project generator and exploration company, focusing on projects in the Athabasca Basin, home to some of the world's largest high grade uranium discovery. F3 Uranium currently has 16 projects in the Athabasca Basin. Several of F3's projects are near large uranium discoveries including Triple R, Arrow, and Hurricane.

## **Cautionary Statement:F3 Uranium Corp.**

*This press release contains "forward-looking information" within the meaning of applicable Canadian and United States securities laws, which is based upon the Company's current internal expectations, estimates, projections, assumptions and beliefs. The forward-looking information included in this press release are made only as of the date of this press release. Such forward-looking statements and forward-looking information include, but are not limited to, statements concerning the Company's expectations with respect to the Non-Brokered Private Placement; the use of proceeds of the Non-Brokered Private Placement; completion of the Non-Brokered Private Placement and the date of such completion. Forward-looking statements or forward-looking information relate to future events and future performance and include statements regarding the expectations and beliefs of management based on information currently available to the Company. Such forward-looking statements and forward-looking information often, but not always, can be identified by the use of words such as "plans", "expects", "potential", "is expected", "anticipated", "is targeted", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or the negatives thereof or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved.*

*Forward-looking statements or forward-looking information are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements or forward-looking information, including, without limitation, risks and uncertainties relating to: general business and economic conditions; regulatory approval for the Non-Brokered Private Placement; completion of the Non-Brokered Private Placement;*

changes in commodity prices; the supply and demand for, deliveries of, and the level and volatility of the price of nickel and other metals; changes in project parameters as exploration plans continue to be refined; costs of exploration including labour and equipment costs; risks and uncertainties related to the ability to obtain or maintain necessary licenses, permits or surface rights; changes in credit market conditions and conditions in financial markets generally; the ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; the availability of qualified employees and contractors; the impact of value of the Canadian dollar and U.S. dollar, foreign exchange rates on costs and financial results; market competition; exploration results not being consistent with the Company's expectations; changes in taxation rates or policies; technical difficulties in connection with mining activities; changes in environmental regulation; environmental compliance issues; other risks of the mining industry; and risks related to the effects of COVID-19. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements or forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that could cause results not to be as anticipated, estimated or intended. For more information on the Company and the risks and challenges of its business, investors should review the Company's annual filings that are available at [www.sedar.com](http://www.sedar.com). The forward-looking statements included in this press release are made as of the date of this press release and F3 Uranium Corp. disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation.
