

# Fineqia CEO Bundeep Singh Rangar Joins Tim Draper on Meet the Drapers Competition Jury

written by Raj Shah | April 11, 2024

April 11, 2024 ([Source](#)) – Fineqia International Inc. (CSE: FNQ) (OTC Pink: FNQQF) (FSE: FNQA), a digital asset and fintech investment business, is pleased to announce that its CEO Bundeep Singh Rangar will represent Glass Ventures, the VC arm of Fineqia in formation, on the jury panel for the Meet the Drapers startup competition. This renowned competition, featuring a \$10 million prize pool, focuses on blockchain, decentralized finance (DeFi), and emerging technologies, with notable investor Tim Draper among its distinguished jury members.

The Meet the Drapers show reaches more than 330 million households in 15 countries via online streaming, and 30 million viewers via TV broadcasts. Bundeep's participation as a judge is alongside Tim Draper and Gaurav Dubey of InfotechHub and TDeFi. With \$12 million won so far by start-ups across 15 countries and \$1 million top prize, the competition signifies Draper's commitment to entrepreneurs and innovation worldwide.

The Meet the Drapers competition will take place on April 11 at 5:40 PM CET on the grand stage of Carousel du Louvre Master Stage, as part of Paris Blockchain Week (PBW). More than 800 applicants pitched to investors at various events held during PBW. PBW will culminate in a showcase of innovation of the top four finalists who will present at the Meet the Drapers show. Companies such as AWS, Binance, Consensus, Google, Lightspeed, Pitchbook, and XRPL, have partnered with PBW to support start-

ups pitching to investors.

“We are incredibly proud to have Bundeep’s expertise and leadership on the Meet the Drapers Startup Competition jury,” said Martin Graham, Chairman of Fineqia. “His participation reflects his significant impact in the digital asset industry, and we are confident that his contributions will play a pivotal role in shaping the future of finance.”

This engagement reflects Fineqia’s commitment to fostering innovation and supporting entrepreneurship in the global startup ecosystem.

### **About Fineqia International Inc.**

Fineqia ([www.fineqia.com](http://www.fineqia.com)) is a digital asset business that builds and targets investments in early and growth stage technology companies that will be part of the next generation of the Internet. **FORWARD-LOOKING STATEMENTS**

Some statements in this release may contain forward-looking information (as defined under applicable Canadian securities laws) (“forward-looking statements”). All statements, other than of historical fact, that address activities, events or developments that Fineqia (the “Company”) believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding potential acquisitions and financings) are forward-looking statements. Forward-looking statements are generally identifiable by use of the words “may”, “will”, “should”, “continue”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan” or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company’s ability to control or predict, that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, the failure to obtain sufficient financing, and other risks disclosed in the Company’s public disclosure record on file with the relevant securities regulatory authorities. Any forward-looking statement speaks only as of the date on which it is made except as may be required by applicable securities laws. The Company disclaims any intent or obligation to update any

forward-looking statement except to the extent required by applicable securities laws.
