Private Placement

The first tranche is part of the private placement announced on Apr. 28 for the issuance of up to 100,000,000 units.

Each Unit consists of one common share of Fineqia (a “Common Share”) priced at C\$0.01 per share and one warrant (a “Warrant”) exercisable at C\$0.05 to purchase one Common Share for a period of three years from the closing of the Offering.

The Company may, at its option, accelerate the expiry date, provided that closing price trades at or above \$0.10 per share for any 20 consecutive trading day period at any time after four months and one day after the issuance of the warrant. Warrant holders will be notified by the issue of a press release by the Company announcing such acceleration. In such a situation, the expiry date shall be deemed to be the 20th day following the date of issuance of the press release.

Fineqia intends to use the proceeds from the private placement for working capital purposes.

“We’re embracing growth opportunities emanating from the rapid interaction of new technologies such as artificial intelligence and blockchain with financial services and capital markets,” said Bundeep Singh Rangar, CEO of Fineqia.”
