

Fintech Select Announces Ramping Up of Call Centre Division and Increase in Revenues

written by Raj Shah | January 18, 2018

January 18, 2018 ([Source](#)) – Fintech Select Ltd. (“**Fintech Select**” or the “**Company**”) (TSX-V:[FTEC](#)) is pleased to announce it is expanding its call centre to handle the increased business coming mainly from its US customers.

As a result, the Company’s monthly revenue from this high margin division alone has increased by 20% since October 2017 with annual revenues now exceeding CDN\$1.45M. There is also the possibility of a further increase due to more programs that have been awarded to the Company by an existing large US customer. These numbers are unaudited and will be included in the Company’s year-end audited financial statements.

We continue to expand our physical reach of the Selectcoin Cryptocurrency solution across Canada, while we remain focused on building shareholders’ value by increasing revenues from all other legacy business, including our Pre-Paid Cards, Call Centre and Mobile Top Up divisions.

About Fintech Select Ltd.

Fintech Select is a provider of robust and disruptive Pre-Paid Card programs, mobile banking solutions and Cryptocurrency

technologies. Fintech Select has enabled these core assets which operate through separate divisions to work together harmoniously to create a new and ubiquitous environment for consumers and businesses alike. Fintech select also operates an international call centre that provides fulfillment and customer service support to customers across all three platforms mentioned. Our mission is to provide customers with choice, convenience and cost-effective ways to facilitate traditional and crypto financial transactions.
