Fission CEO, Ross McElroy, to Present at H.C. Wainwright Mining Conference (Virtual)

written by Raj Shah | November 25, 2020

November 25, 2020 (Source) – **FISSION URANIUM CORP. ("Fission" or the "Company")** is pleased to announce that President and CEO, Ross McElroy, will present at the H.C. Wainwright Mining Conference. The conference will take place virtually from November 30 to December 1, 2020.

Mr. McElroy will provide an overview of Fission's transition from explorer to developer, as well as the current status and next steps for the Company's high-grade, near surface uranium project in Saskatchewan. He also will be available for one-on-one meetings with investors who are registered as conference attendees.

Presentation Details

- **Date**: November 30, 2020
- **Time**: 3:30pm – 4:00pm EST
- **Presenter**: Ross McElroy, President and CEO

Attending the Conference & Booking Meetings

If you would like to attend Fission Uranium's presentation, please register for the conference (or https://hcwevents.com/mining/). If you are an institutional investor and would like to book a one-on-one meeting with Mr. McElroy, please log into the conference site in order to process your request.
