written by Raj Shah | February 9, 2026

February 9, 2026 ([Source](#)) – Genesis Acquisition Corp. (TSXV: REBL.P) (the “**Company**”), a capital pool company pursuant to Policy 2.4 – *Capital Pool Companies* (the “**Policy**”) of the TSX Venture Exchange (the “**TSXV**”), announces that, subject to the approval of the TSXV, it intends to complete a non-brokered private placement of up to 1,625,000 common shares of the Company at a price of \$0.20 per share (the “**Offered Shares**”), to raise up to \$325,000 in gross proceeds (the “**Private Placement**”).

The Offered Shares will be subject to a four-month and one day hold period pursuant to securities laws in Canada and, where applicable, the policies of the TSXV. The Company intends to use a portion of the net proceeds from the Private Placement to pay for costs associated with proceeding to completion of its previously announced Qualifying Transaction (as defined in the Policy) with Nusa Nickel Corp. (“**Nusa**”). The Company also anticipates loaning up to \$162,500 of the net proceeds of the Private Placement to Nusa (the “**Loan**”). It is currently contemplated that the Loan would bear interest at a rate of 8.5% per annum, mature one (1) year from the date the funds are advanced and be secured against the assets of Nusa. It is further anticipated that the Loan would be forgiven in certain circumstances if the proposed Qualifying Transaction is not completed. Any such Loan will be contingent upon the receipt of all requisite approvals, including the approval of the TSXV.

The Company currently anticipates that certain of its directors

and officers may participate in the Private Placement. In such event, the Private Placement would be considered to be a related party transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*.

The Company also announces that on January 30, 2026, it entered into a letter agreement with Nusa pursuant to which the parties agreed to extend the dates pursuant to which Nusa is required to deliver audited financial statements and a technical report from January 30, 2026 and January 31, 2026, respectively, to February 13, 2026 and February 28, 2026, respectively.
