

Hemostemix Issued ‘Your Fountain of Youth’ Trademark by Cyprus

written by Raj Shah | December 8, 2022

December 08, 2022 ([Source](#)) – Hemostemix Inc. (TSXV: HEM) (OTCQB: HMTXF) (FSE: 2VF0) (“Hemostemix” or the “Company”) is pleased to announce the Office of the Registrar of Trademarks, Republic of Cyprus, issued Kwalata Trading Limited, a wholly owned subsidiary of Hemostemix Inc., a trademark registration certificate for Your Fountain of Youth. The Trademark is registered initially for 10 years. The Company’s has a right to renew for additional 10-year periods by application.

“In a phrase our trademark, Your Fountain of Youth, explains both the therapeutic benefit of ACP-01 and our business model,” stated Thomas Smeenk, CEO. “Why wait to repair the heart following a heart attack, or its remodeling, when leveraging your synergetic cells to maintain heart health and a great quality of life as we age is logical and affordable? As Hemostemix’ results to-date demonstrate we are a world leader of improving the heart’s ejection fraction, we are focused on scaling production to meet both the repair-health and prophylactic-maintain-health markets,” Smeenk said.

Forward-Looking Information: This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein are forward-looking information. In particular, this news release contains forward-looking information in relation to: ACP-01, the commercialization of ACP-01 as a treatment of heart disease, and the applicability therefore of the Trademark Your Fountain of Youth. ☐☐ There can be no assurance that such forward-looking information will prove to be accurate. Actual results and future events could differ materially from those anticipated in such forward-looking information. This forward-looking information reflects Hemostemix’s current beliefs and is based on information currently available to Hemostemix and on assumptions Hemostemix believes are reasonable. These assumptions include, but are not limited to: the underlying value of Hemostemix and its Common Shares; the successful resolution of the litigation that Hemostemix is pursuing or defending (the “**Litigation**”); the results of ACP-01 research including its implementation of the ACTS system, trials, studies and analyses, including the analysis being equivalent to or better than previous research, trials or studies; the receipt of all required regulatory ☐ approvals for research, trials or studies; the level of activity, market acceptance and market trends in the healthcare sector; the ☐ economy generally; consumer ☐ interest in Hemostemix’s services and products; competition and ☐ Hemostemix’s competitive advantages; and Hemostemix obtaining satisfactory financing to fund operations including any research, trials or studies, and any Litigation. Forward-looking information is Subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Hemostemix to be materially different from those expressed or implied by such forward-looking information. Such risks and other factors may

include, but are not limited to: the ability of Hemostemix to complete the ACTS implementation and clinical trials; complete a satisfactory analyses and file the results of such analyses to gain regulatory approval of a phase II or phase III clinical trial of ACP-01; potential litigation; business, economic, competitive, political and social uncertainties; general capital market conditions and market prices for securities; delay or failure to receive board or regulatory approvals; the actual results of future operations including the actual results of future research, trials or studies; competition; changes in legislation affecting Hemostemix; the timing and availability of external financing on acceptable terms; long-term capital requirements and future developments in Hemostemix's markets and the markets in which it expects to compete; lack of qualified, skilled labour or loss of key individuals; and risks related to the COVID-19 pandemic including various recommendations, orders and measures of governmental authorities to try to limit the pandemic, including travel restrictions, border closures, non-essential business closures service disruptions, quarantines, self-isolations, shelters-in-place and social distancing, disruptions to markets, disruptions to economic activity and financings, disruptions to supply chains and sales channels, and a deterioration of general economic conditions including a possible national or global recession or depression; the potential impact that the COVID-19 pandemic may have on Hemostemix which may include a decreased demand for the services that Hemostemix offers; and a deterioration of financial markets that could limit Hemostemix's ability to obtain external financing. A description of additional risk factors that may cause actual results to differ materially from forward-looking information can be found in Hemostemix's disclosure documents on the SEDAR website at www.sedar.com. Although Hemostemix has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-

looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. Readers are cautioned that the foregoing list of factors is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking information as there can be no assurance that the plans, intentions or expectations upon which they are placed will occur. Forward-looking information contained in this news release is expressly qualified by this cautionary statement. The forward-looking information contained in this news release represents the expectations of Hemostemix as of the date of this news release and, accordingly, it is Subject to change after such date. However, Hemostemix expressly disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.
