

Imperial Begins Trading on the OTCQB Venture Market

written by Raj Shah | March 5, 2021

March 5, 2021 ([Source](#)) – **Imperial Mining Group Ltd. (“Imperial”)** (TSX VENTURE: **IPG** ; OTCQB: **IMPNF**) today announced that it has qualified to trade on the OTCQB® Venture Market, operated by OTC Markets Group Inc.

Imperial Mining Group begins trading today on OTCQB under the symbol “IMPNF”. U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on www.otcmarkets.com.

“On behalf of everyone at OTC Markets Group, we’re delighted to approve and welcome Imperial Mining Group to trade on the OTCQB Venture Market,” said Chris King, Senior Vice-President, Corporate Services. “Gaining access to the broader US investor and broker community is a critical step for Imperial Mining. We look forward to helping them deliver on their corporate objectives and greater US investor access.”

“Trading on the OTCQB Venture Market is an important milestone for Imperial as it provides US investors with a pathway to invest and participate in the Imperial Mining Group story,” said Peter J Cashin, Imperial’s President and CEO. “We recently announced our intent to undertake a \$2.0 million exploration program on our high-grade Crater Lake scandium-rare earth project in Quebec, Canada and will provide timely updates on these activities. The recognition by major US manufacturers in the automotive, aerospace, and defense sectors that scandium-modified aluminum alloy materials are critical inputs into their platforms is an important development. This is particularly so, given the strength of Quebec’s aluminum industry, that these

next generation lightweight alloys will become an important value-added product for the province's aluminum industry."

Securities Law USA, PLCC, acted as the company's OTCQB sponsor.
