About Wealth Inc. (Wealth, Creation, Preservation & Donation)

Wealth Inc. (Wealth, Creation, Preservation & Donation) is a boutique financial services company with a specialized focus on financings for junior mining companies, tax reduction, and philanthropic tax planning. Since 2006, we have performed more flow-through share transactions with an immediate liquidity provider than any firm in Canada. As a leading exempt market dealer, offering financings for resource and mineral exploration in Canada, our structure has resulted in more than **725 private placements** with over **150 issuers**, amounting to over **$1 billion** in flow-through share financing.

In June 2024, we performed a **$100 million structured flow-through deal**, the largest single financing of its kind in Canadian history. In addition to tax reduction services, our work has led to charitable donations north of **$350 million** by clients across Canada.
