

InvestorNews.com Offers Real Time Access through the Revolutionary IR Mobile App, Now Offered Through Stock Marketing Inc.

written by Raj Shah | April 17, 2024

Toronto, Canada, April 17, 2024 – InvestorNews Inc., a leader in capital market digital media solutions and the Publisher for InvestorNews.com, proudly announces the launch of the InvestorNews.com IR Mobile App, created, developed, and distributed through [Stock Marketing Inc.](https://StockMarketingInc.com) This new app is now available for both Android and Apple devices, providing seamless access to InvestorNews.com.

The InvestorNews.com audience is graciously encouraged to download the IR Mobile App at the following locations and offer comments:

Android: [Download Here](#) | **Apple:** [Download Here](#)

For over twenty years, InvestorNews Inc. has been at the forefront of delivering in-depth news on the public markets, recognized for its detailed analysis provided by expert analysts and seasoned journalists. As a continuous innovator, InvestorNews Inc. is dedicated to enhancing its offerings to meet the evolving needs of its audience.

InvestorNews Inc. understands that in addition to deploying their news effectively, Stock Marketing's IR Mobile App will offer the companies that work with InvestorNews Inc. a way to

offer investors direct and efficient access to up-to-date information about public companies' performances, news releases, and strategic developments, right at their fingertips. This tool is designed to cultivate a closer connection and enhanced transparency between shareholders and the companies they invest in.

Scott Breard, CEO of Stock Marketing Inc., expressed his enthusiasm about the mobile app's potential: "The IR Mobile App is a revolutionary step forward in investor relations, providing immediate access through just a single touch. It greatly enhances how companies and investors connect beyond conventional websites and social media."

Tracy Weslosky, CEO of InvestorNews Inc., highlighted the significance of mobile platforms in today's market: "The ascendancy of mobile devices has transformed how audiences engage with content. Mobile apps are now crucial in marketing to this rapidly growing segment. With nearly half of all web visits now coming from mobile devices, and a significant portion of social media consumption happening on these platforms, our new IR Mobile App is perfectly positioned to meet the demands of this mobile-dominant era."

Stock Marketing Inc., with its specialized knowledge in digital marketing for publicly listed companies, has played a crucial role in the development of this app. Their services, which include website creation, social media management, and now innovative investor relations mobile applications, are tailored to meet the specific needs of today's digital landscape. InvestorNews Inc. maintains an ongoing commitment to offering an independent source for capital market news.

InvestorNews Inc. operates the Investor.Coffee YouTube Channel and produces the [InvestorTalk](#) Event Series, alongside managing

media platforms for the [Critical Minerals Institute](#) (CMI).

About InvestorNews Inc.

Celebrating over two decades in business, **InvestorNews Inc.** is proud to be the force behind **InvestorNews.com** – your independent source for capital market news.
