

InvestorNews Inc. Becomes Official Media Sponsor for the ArcStone-Kingswood Growth Summit 2024

written by Raj Shah | September 5, 2024

Toronto, ON, September 5, 2024 – InvestorNews Inc., a leader in capital market digital media solutions and the publisher of InvestorNews (InvestorNews.com), is delighted to announce its role as the official media sponsor for the upcoming ArcStone-Kingswood Growth Summit 2024. This premier event, set to take place on Thursday, September 26th, 2024, at the Sheraton Centre Toronto Hotel, will bring together influential companies, investors, and financial leaders from across North America and beyond.

As the media sponsor, InvestorNews Inc. is proud to support this pivotal event, which offers a unique platform for companies to explore listing opportunities on major US and Canadian exchanges, including NYSE, NASDAQ, OTC Markets, TSX, Cboe, and CSE. The summit provides a valuable opportunity for investors to discover high-potential growth opportunities and engage directly with key market players.

Tracy Hughes, CEO and Director of InvestorNews Inc., expressed her enthusiasm about the partnership: “I have known the principals behind ArcStone for over a decade and a half. Professional, knowledgeable, and respected experts in their associated fields, I was delighted to hear that they were

partnering with some of my other friends and colleagues from Kingswood. When I heard they wanted Pat Bolland as their emcee, I knew this was an event I had to attend.”

About ArcStone Securities and Investments Corp.

[ArcStone Securities and Investments Corp.](#), based in New York City and Toronto, is a distinguished cross-border financial services firm specializing in a wide array of financial offerings, including equities, crowdfunding, mergers and acquisitions advisory, and complex debt structuring. As a vanguard investment firm deeply entrenched in global financial markets, ArcStone is dedicated to guiding both private and public issuers through strategic milestones with a focus on global mid-market companies valued between US\$20 million to US\$1 billion.

The firm prides itself on combining global reach with the personalized attention of a local advisor, particularly in cross-border transactions, ensuring clients receive tailored, comprehensive advice that leverages the firm’s collective experience and strategic finesse. ArcStone has a strategic partnership with Kingswood US, a leading US full-service investment bank with US\$14B in retail assets under management, enhancing ArcStone’s cross-border financial advisory capabilities and access to global institutional capital. This collaboration offers ArcStone’s clients comprehensive financial services and trusted advice, leveraging a vast network of institutional and retail capital across North America and globally.
