24-day countdown to first hybrid real-time race and virtual run on the metaverse.

November 4, 2021 ([Source](#)) – [ePlay Digital Inc.](#) ([CSE:EPY](#) | [OTC PINK:EPYFF](#) | [FSE:2NY2](#)) (the “Company”) today announced that the recently released [Klocked Fitness App](#) is opening registration for the **Boston Common 5k Hybrid Real-Time Race Experience and Virtual Run** on November 6, 2021, at 8:00 AM eastern time / 5:00 AM pacific time.

All real-time and virtual participants will receive physical and digital race t-shirts, digital finisher's medals, augmented reality race bib, and placement recognition for overall and

division winners. Klocked app participants will be able to choose between teleporting to Boston for the real-time race experience on November 27 or the virtual run from November 28 to December 12. Klocked users will personalize and send their 3D avatar to Boston on race day to compete live in ePlay's sports metaverse.

"ePlay is thrilled to open up registration to the Klocked phenomenal race day experience with real-time racing events," says Trevor Doerksen, CEO of ePlay Digital. "Starting November 6, participants will send their avatar to Boston, get access to unique augmented reality unboxing, be inspired for a new personal best, and capture epic sports moments when the metaverse and the real world hit the ground running."

Participants running on race day from anywhere in the world will receive:

- awesome augmented reality unboxing experience
- race t-shirt (digital and physical)
- augmented reality race bib and finisher's medal
- race audio coaching guide
- race landmark announcements
- race placement announcements
- race placement advancement pacing advice
- get added to division leaderboard
- earn points to unlock special features
- replays and highlights
- spectator code to send to family and friends to watch the race

ePlay has added a special section to the Klocked website to learn more about the [Klocked Phenomenal Race Day Experience](#). In addition, event registration for either (or both) the real-time race and virtual run is available from the following:
