

Kodiak Copper Announces Senior Management Appointments

written by Raj Shah | December 1, 2021

November 30, 2021 ([Source](#)) – Kodiak Copper Corp. (TSXV: KDK) (OTCQB: KDKCF) (FSE: 5DD1) (the “Company” or “Kodiak”) is pleased to announce the appointment of Harpreet Bajaj as Corporate Secretary and the promotion of Nancy Curry to VP Corporate Development.

Claudia Tornquist, President and CEO of Kodiak said, “I am pleased to welcome Harpreet to the Kodiak team. Her in-depth experience and knowledge in compliance and corporate governance will be a great asset to the Company. Nancy’s leadership has made a significant impact on Kodiak’s corporate outreach and communication strategies since she joined the Company and I have no doubt she will excel in her new role of VP Corporate Development.”

Ms. Bajaj has an MBA in Finance and over 13 years of professional experience in compliance and investment banking. Prior to joining Kodiak, she held a position with the TSX Venture Exchange and with MNC bank in its due diligence division. In addition, Ms. Bajaj works with a number of other private and public companies managing their corporate compliance needs.

Ms. Curry is a senior corporate communications and development professional with over 25 years of experience. She has focused her career on the exploration sector and has worked for many successful companies including Mountain Province Mining Inc, Diamonds North Resources Ltd, Cardero Resources Corp, Sun Summit Minerals Corp. and Serengeti Resources Inc., which recently merged with Sun Metals Corp. to form Northwest Copper Corp. Ms.

Curry was nominated twice for Best Investor Relations of a TSX Venture Exchange Company by IR Magazine.

The Company also announces that it expects to return to the Company's facility and core yard in Merritt when city services return to complete work related to the 2021 exploration program. Due to ongoing flood-related challenges the field operations at the MPD project have now ceased. The 2021 drill program is complete and 21,675 metres have been drilled. For 2022 a drill program of up to 25,000 metres is planned and will commence in the first quarter.

On behalf of the Board of Directors

Kodiak Copper Corp.

About Kodiak Copper Corp.

Kodiak is focused on its 100% owned copper porphyry projects in Canada and the USA. The Company's most advanced asset is the MPD copper-gold porphyry project in the prolific Quesnel Trough in south-central British Columbia, Canada, where the Company made a discovery of high-grade mineralization within a wide mineralized envelope in 2020. Kodiak also holds the Mohave copper-molybdenum-silver porphyry project in Arizona, USA, near the world-class Bagdad mine. Kodiak's porphyry projects have both been historically drilled and present known mineral discoveries with the potential to hold large-scale deposits.

Kodiak's founder and Chairman is Chris Taylor who is well-known for his gold discovery success with Great Bear Resources. Kodiak is also part of Discovery Group led by John Robins, one of the most successful mining entrepreneurs in Canada.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Forward-Looking Statement (Safe Harbor Statement): This press release contains forward-looking statements within the meaning of applicable securities laws. The use of any of the words "anticipate", "plan", "continue", "expect", "estimate", "objective", "may", "will", "project", "should", "predict", "potential" and similar expressions are intended to identify forward-looking statements. In particular, this press release contains forward-looking statements concerning the Company's exploration plans. Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company cannot give any assurance that they will prove correct. Since forward-looking statements address future events and conditions, they involve inherent assumptions, risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of assumptions, factors and risks. These assumptions and risks include, but are not limited to, assumptions and risks associated with conditions in the equity financing markets, and assumptions and risks regarding receipt of regulatory and shareholder approvals.

Management has provided the above summary of risks and assumptions related to forward-looking statements in this press release in order to provide readers with a more comprehensive

perspective on the Company's future operations. The Company's actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive from them. These forward-looking statements are made as of the date of this press release, and, other than as required by applicable securities laws, the Company disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.
