**Caution Regarding Forward Looking Statements:**

*Certain information included in this press release, including information relating to future closings of the Offering, payments of interest, commissions or finders fees, minimization of common equity dilution, possible future acquisitions and/or investments in operating businesses and/or technologies, accelerated growth, the provision of solutions to customers and Green House Gas emissions reductions, proposed financial savings and sustainable energy benefits and energy monitoring, growth strategy and financial or operating performance and other statements that express the expectations of management or estimates of future performance constitute "forward-looking statements". Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief are based on assumptions made in good faith and believed to have a reasonable basis. Such assumptions include, without limitation, that the Offering will be*

successful, that suitable businesses and technologies for acquisition and/or investment will be available, that such acquisitions and or investment transactions will be concluded, that sufficient capital will be available to the Company, that technology will be as effective as anticipated, that organic growth will occur, and others. However, forward-looking statements are subject to risks, uncertainties and other factors, which could cause actual results to differ materially from future results expressed, projected or implied by such forward-looking statements. Such risks include, but are not limited to, lack of further subscriptions for the Offering, lack of acquisition and investment opportunities or that such opportunities may not be concluded on reasonable terms, or at all, that sufficient capital and financing cannot be obtained on reasonable terms, or at all, that technologies will not prove as effective as expected that customers and potential customers will not be as accepting of the Company's product and service offering as expected, and government and regulatory factors impacting the energy conservation industry. Accordingly, undue reliance should not be placed on forward-looking statements and the forward-looking statements contained in this press release are expressly qualified in their entirety by this cautionary statement. The forward-looking statements contained herein are made as at the date hereof and the Company does not undertake any obligation to update publicly or revise any such forward-looking statements or any forward-looking statements contained in any other documents whether as a result of new information, future events or otherwise, except as required under applicable securities law.
