Moovly Expands Languages Offering to Support Partner Growth

written by Raj Shah | February 17, 2022

February 17, 2022 (Source) – **Moovly Media Inc. (TSXV: MVY) (OTCQB: MVVYF) (FSE: 0PV2) ("Moovly" or the "Company")** is pleased to announce it has expanded the number of languages in which its video creation platform is available, adding German, Italian and Portuguese.

Moovly partner Contenthouse (see Nov 12, 2020 press release) has expanded their sales operations beyond Switzerland. To assist with their growth, Moovly has added German, Italian and Portuguese to the languages in which users can use the Moovly platform, i.e. the Moovly Dashboard, the Studio Editor etc.

Brendon Grunewald, CEO, commented: "Contenthouse is an important partner for Moovly with an ambitious growth strategy built on Moovly's technology. To supplement both companies' growth and expansion, we have added several new features and functionality, including the language support for the 3 new key European languages, that are in addition to English, French, Dutch and Spanish, which were already supported."

About Moovly:

Moovly is the leading provider of creative cloud-based tools to tell marketing, communications and training stories using videos and video presentations. Moovly's advanced Studio Editor with millions of assets seamlessly integrated (via partnerships with Getty Images & Storyblocks) is all you need to make engaging video content to promote, communicate or explain your product, service or message. Moovly's API and Automator technologies

allow third parties to automate parts or all of the content creation process, including mass video customization, personalized videos (video version of mail merge), automatic content creation or updating by connecting data sources. With clients including users from over 300 of the Fortune 500, small businesses, freelancers and Ivy league universities, Moovly is an intuitive, cost effective choice for DIY creation of engaging video-based content.

Reader Advisory

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words “expect”, “anticipate”, “continue”, “estimate”, “objective”, “ongoing”, “may”, “will”, “project”, “should”, “believe”, “plans”, “intends” and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward-looking statements and information with respect to Moovly’s future business plans and the expected benefits of its products. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based

are reasonable, undue reliance should not be placed on the forward-looking statements and information because the Company can give no assurance that they will prove to be correct.

By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, Moovly's inability to continue to commercialize its products or demand for its products decreases or disappears. Other risk factors are set forth in detail in the Company's Management Discussion and Analysis dated September 30, 2021 which is available for review under the Company's corporate profile at www.sedar.com. Some other risks and factors that could cause the results to differ materially from those expressed in the forward-looking information also include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, unanticipated operating events; failure to obtain any necessary third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital and skilled personnel; changes in tax laws; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as

required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
