

Moovly Signs Embedded Reseller Agreement with VMC Global, LLC

written by Raj Shah | January 26, 2022

January 26, 2022 ([Source](#)) – Moovly Media Inc. (TSXV: MVY) (OTCQB: MVVYF) (FSE: 0PV2) (“Moovly” or the “Company”) is pleased to announce that it has signed an agreement with VMC Global, LLC (“VMC”), whereby VMC will integrate, bundle, and resell Moovly’s market leading video studio editor to its clients.

VMC (The Video Marketing Center) is a platform created by Access Mobility 24 Inc. that allows their clients to create customer specific sales and marketing campaigns. Access Mobility 24, specializes in IoT, consulting, application development, content creation and software solutions. With hundreds of business clients including many household names like Kellogg’s, Kerry Ingredients, Blue Bunny, American Eagle, and Mondelèz International. VMC is a fast-growing video marketing and distribution platform serving its corporate clients with an all-in-one video platform for pre- and post-meeting communications, marketing, advertising and internal corporate communications.

Joe Wright, CEO and Co-founder of VMC Global and Access Mobility 24 commented, “We looked extensively at the market and selected Moovly as the best platform for our needs. Their flexible integration architecture means we can deploy a video creation product in our brand to our clients with minimal effort and investment. By adding a video creation product, we get to significantly enhance our product offering to the market offering them a full suite of solutions from creation, distribution and analytics.”

Moovly CEO Brendon Grunewald stated, “We are delighted to work

with VMC, and their ambitious plans to grow their business by embedding and leveraging Moovly's technology. It's a win-win for both companies: VMC gets access to great technology with little investment, while Moovly receives access to great clients with a win-win revenue share on top. This announcement yet again validates our embed and integration partner program, something we are seeing more and more interest in from 3rd party platforms."
