April 26, 2018 ([Source](#)) – *Redfund to Showcase New Cannabis Merchant Bank at InvestorIntel Summit May 3 & 4 in Toronto*

Parana Copper Corporation (CSE:COPR) (OTC:PNNRF) (Frankfurt:03X4) (the “Company”) announces Redfund Capital Corp to Showcase new cannabis merchant bank at 7th Annual InvestorIntel Summit: Buds, Batteries & Blockchain 2018.

The 7th Annual InvestorIntel Summit: Buds, Batteries & Blockchain 2018 event will be held at the Omni King Edward Hotel on Thursday and Friday, May 3rd-4th in Toronto, Canada. The 2018 event will host the leading market movers in the marijuana, battery materials and blockchain sectors from around the world.

InvestorIntel CEO Tracy Weslosky comments: “The InvestorIntel Summits were initially coordinated for the critical materials market and have grown to be a source of rising market stars in Australia, Canada and the United States. I loved what our Johannesburg based analyst Lara Smith wrote last week when she wrote, ‘In a time of constant political, social and technological upheaval, new markets are birthed more frequently than ever before; the Buds, Batteries and Blockchain event quite rightly highlights the three major interest segments that overwhelm the retail investment landscape today.’ And Redfund Capital is an example of a company that is inevitably in the right place at the right time.”

Redfund Capital provides debt and equity funding instruments to revenue producing companies with innovative project specific solutions. Redfund is focused on providing financing otherwise

unavailable to the cannabis industry. The goal is to help accelerate business plans and set platforms for rapid organic growth with strong corporate governance and capital injections, thus preparing companies for the public markets and the possibility of mergers and acquisitions. The Redfund mission is to work with companies who have demonstrated with sales they are leaders in the cannabis industry.

“We have assembled an amazing team of banking industry experts positioned to build Redfund into a formidable merchant bank focused on the quickly maturing cannabis industry. Cannabis 2.0 is here. Our clients are innovative, responsive and already successful and revenue generating. We are not country focused and are looking internationally to work with cannabis trailblazers,” stated Meris Kott, CEO.

As previously released, Parana Copper Corp. has been informed that following the CSE’s review of the Company’s application in respect to its previously announced name change to Redfund Capital Corp. in conjunction with a change of business, the CSE has approved the Company’s proposed change of business. A date for the resumption of trading will be determined upon confirmation of the completion of a private placement, as well as completion of the usual application documentation and fees pursuant to CSE policies
