- The Company had 125% Growth in first time customers; accounting for 2083 new customers for the quarter up from 925.

“We are excited about the steady growth in sales, which we believe is driven, in part, by our recent investment in digital ad spend,” According to Traci Costa, CEO. We are seeing a return of 10:1 on our ad spend, which is far greater than the industry average of 4:1. After trying various sales models in the past, we believe we have finally found the optimal model to drive sales and take our unique children’s clothing brand to the next level.”
