Predictiv AI Signs TFG Concepts to Represent ThermalPass to its Clients Across Canada

written by Raj Shah | January 26, 2021

January 26, 2021 ([Source](#)) – **Predictiv AI Inc.** (TSXV: [PAI](#)) (OTC: INOTF) (FSE: 71TA) ("**Predictiv AI**" or the "**Company**"), a software and solutions provider in the artificial intelligence markets is pleased to announce that TFG Concepts Inc. ("**TFG**") has joined ThermalPass as a channel reseller to drive sales across Canada. TFG is a sales agency with more than three decades of expertise representing over 20 international manufacturers and brands throughout North America in the retail, commercial, hospitality and food services industries.

"I am very excited to partner with ThermalPass, unquestionably one of the most effective devices on the market to detect elevated temperatures and ultimately mitigate the spread of COVID -19. TFG is proudly partnered with major retailers such as Canadian Tire, Costco, Home Depot, Lowe's, and Walmart, to name a few, and we look forward to introducing ThermalPass to our partners," said Ian Gough, CEO of TFG Concepts. "We are looking forward to seeing all major facilities, within our partnership network, utilizing this Canadian made technology to protect their employees, customers, constituents, students, and patients against this horrendous virus."

"We're thrilled to announce our new reseller agreement with TFG," said Michael Lende, President and CEO of Predictiv AI. "I firmly believe TFG's established partnerships, with Canada's most well-known brands, will be a key factor to

the success of ThermalPass in the Canadian retail sector. Our strategy is to attract and work with channel partners already entrenched within our target markets and industries in an effort to accelerate demand for ThermalPass units. TFG fits perfectly within this strategy"

Predictiv AI is not making any express or implied claims that its product has the ability to eliminate, cure, or contain the COVID-19 (or SARS-2 coronavirus) at this time.
