

# Quantum eMotion Announces Key Participation in the London Stock Exchange, Live Investor Webinar, Defense & Security Innovation Showcase 30 August 2023, at 10:00 a.m. EDT

written by Raj Shah | August 29, 2023

August 29, 2023 ([Source](#)) – Quantum eMotion Corp. (TSXV: QNC) (OTCQB: QNCCF) (“QeM” or the “Company”). Quantum eMotion will be a key participant in the August 30, 2023 live streaming webinar with the London Stock Exchange.

Join us for an exciting live investor webinar showcasing the future of the defense and security industry. Quantum eMotion, an advanced technology developer leading the way towards a new generation of quantum-generated encryption for traditional and quantum-safe cybersecurity, will be one of three companies at the forefront of security solutions for modern world threats. Another presenter is a leading technology provider of AI-based next generation detection solutions for protecting high-traffic locations against prohibited weapons and other threats. Another participant will be a protective materials company engaging in the research, development, and commercialization of advanced, adaptive materials such as liquid armor, crucial for national defense and security industries. The link below will connect you live and the webinar will be available on the Quantum eMotion website after the event.

## About QeM

The Company's mission is to address the growing demand for affordable hardware security for connected devices. The patented solution for a Quantum Random Number Generator exploits the built-in unpredictability of quantum mechanics and promises to provide enhanced security for protecting high value assets and critical systems.

The Company intends to target the highly valued Financial Services, Blockchain Applications, Cloud-Based IT Security Infrastructure, Classified Government Networks and Communication Systems, Secure Device Keying (IOT, Automotive, Consumer Electronics) and Quantum Cryptography.
