About the Moody Capital Solutions 2026 Disruptive Growth & Life Sciences Conference:

The Moody Capital Solutions 2026 Disruptive Growth & Life Sciences Conference brings together public and private growth companies, pioneering innovators, investors, C-suite executives and industry professionals across biotechnology, medical devices, pharmaceuticals, healthcare technology and other growth industries. The two-day conference features company presentations, one-on-one investor meetings, fireside chats, capital markets and financing panels, and networking opportunities with institutional investors and family offices.

About Quantum eMotion Corp.:

Thanks to its patented Quantum Random Number Generator and a variety of cybersecurity solutions, QNC has become a pioneering force in classical and quantum cybersecurity solutions. This security solution exploits quantum mechanics' built-in unpredictability and promises to provide enhanced protection for high-value assets and critical systems.
